INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (this "*Agreement*") is made as of September 23, 2016, by and among Blackhawk Issued Content LLC, an Arizona limited liability company, Blackhawk Network (Canada) Ltd., a corporation incorporated under the laws of Alberta (Blackhawk Issued Content LLC and Blackhawk Network (Canada) Ltd., collectively the "*Assignee*") and SpaFinder Wellness, Inc., a Maryland corporation (the "*Assignor*").

WHEREAS, Assignor, Assignee, the Ellis Family Trust and Peter Ellis are parties to that certain Asset Purchase Agreement dated as of the date hereof (the "*Purchase Agreement*"), pursuant to which Assignee has agreed to purchase from Assignor and the Company the Purchased Assets, and Assignor and the Company have agreed to sell, assign, transfer, convey and deliver the Purchased Assets to Assignee.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants contained herein, and for other good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

1. **Capitalized Terms.** Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Purchase Agreement.

2. **Assignment.** Effective as of the Closing Date, Assignor hereby sells, assigns, transfers, conveys and delivers (collectively, the "*Assignment*") to Assignee all of Assignor's rights, title and interests in (i) the marks and their federal registrations and registration applications therefor identified in Schedule A hereto, along with all associated goodwill (collectively, the "*Trademarks*"), (ii) the domain names and registrations therefor identified in Schedule B hereto, along with all trademark or service mark rights therein, and associated goodwill (collectively, the "*Domain Names*"), and (iii) the copyright and its federal registration therefor identified in Schedule C hereto, along with all associated goodwill (collectively, the "*Copyright*" and together with the Trademarks and Domain Names, the "*Intellectual Property*"); and (iv) all rights of actions and damages for any infringements of such Intellectual Property occurring prior to or after the date of this Agreement.

3. **Terms of the Purchase Agreement.** Article 8 of the Purchase Agreement is incorporated herein by reference. Assignor and Assignee acknowledge and agree that the representations, warranties, covenants, agreements, indemnities, limitations of liability and other terms contained in the Purchase Agreement shall not be modified, altered, amended, expanded, interpreted or superseded hereby and shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

4. **Further Actions.** Assignor shall reasonably assist Assignee with Assignee's reasonable requests made in order to evidence, record and perfect the Assignment of the Intellectual Property set forth in this Agreement. Assignor shall timely cooperate in affecting any inter-registrar transfer as reasonably requested by Assignee. In the event that Assignee is unable for any reason whatsoever to secure Assignor's signature to any document reasonably appropriate for Assignor to execute pursuant to the foregoing, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as their agents and attorneys-in-fact to act for and on its behalf and instead of Assignor, to execute and file any such document and to do all other lawfully permitted acts to further the

purposes of the foregoing with the same legal force and effect as if executed by Assignor. The foregoing is deemed a power coupled with an interest and is irrevocable.
