TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is made as of January 10, 2018 by Solvaïra Specialty, L.P., a Delaware limited partnership, of 251 Little Falls Drive, Wilmington, DE 19808 ("Assignor") to International Fiber Europe N.V., a European entity, of Eurolaan 5, 9140 Temse, Belgium ("Assignee").

For good and valuable consideration in the amount of Two Thousand Dollars (\$2,000 USD), Assignor and Assignee hereby enter into this Assignment and acknowledge the following:

Whereas Assignor owns the trademarks (the "Marks"), trademark applications (the "Applications") and registrations (the "Registrations" and, together with the Applications and Marks, the "Intellectual Property") listed on Exhibit A; and

Whereas Assignor desires to assign its full right, title, and interest in the Marks, all goodwill associated with the Marks, and the Registrations to Assignee;

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor assigns to Assignee all of Assignor's right, title, and interest in, and goodwill associated with, the Intellectual Property and any rights that arise from the Registrations or from any registrations resulting from the Applications; all causes of action, past and future, for infringement of the Marks or other violations of the rights assigned hereunder, and all rights to seek other registrations of the Marks in any jurisdiction; and

Further, with respect to the intent-to-use trademark Applications identified on Exhibit A, the transfer of such Applications, and as Assignee is the successor-in-interest of Assignor's business, such transfer accompanies the transfer of Assignor's business, or portion of the business to which the trademarks pertain and that business is ongoing and existing as of the date hereof.

By this Assignment, Assignor hereby (i) authorizes Assignee or its agents or attorneys to insert the jurisdictions, Application numbers, filing dates and any other idicia identifying the Applications when such information is available for the purpose of recording this Assignment; and (ii) authorize the United States Patent and Trademark Office or any equivalent authority to issue to Assignee each and every trademark, registration and other form of protection, right and title granted upon the Applications.

This Assignment shall inure to the benefit of Assignee and its successors and assigns, and shall be binding upon Assignor and its successors and permitted assigns. Delivery of this

Assignment by copy, however transmitted, constitutes valid and effective delivery. This Assignment may be executed in one or more counterparts, each of which when so executed and delivered shall be an original, and such counterparts shall together constitute one and the same instrument.

This Assignment was executed on the date first set forth above.
