TRADEMARKS ASSIGNMENT AGREEMENT

THIS TRADEMARKS ASSIGNMENT AGREEMENT ("Assignment"), effective as of January 12, 2018 ("Effective Date"), is by and between Mace Trademark II, Inc., a Delaware Corporation ("Assignor"), and Mace Security International, Inc., a Delaware Corporation ("Assignee"). Assignor and Assignee are sometimes referred to herein individually as a "Party" and collectively as the "Parties."

RECITALS:

WHEREAS, Assignor is the current owner of record of the United States Trademark Registrations listed on Exhibit A hereto, sometimes referred to herein as the "Trademarks",

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in and to the Trademarks,

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

1. Assignment. Assignor does hereby sell, transfer, convey, set over, assign and deliver to Assignee all worldwide rights, title and interest in and to the Trademarks, whether statutory or common law, including, without limitation, all registrations for the Trademarks together with the goodwill of the business symbolized by the Trademarks, effective as of the date hereof. Assignor does hereby further assign to Assignee any and all causes of action, claims, demands, or other rights occasioned from or because of any and all past, present and future infringements of said Trademarks, together with the right to sue and recover therefor, including the right to bring suit in its own name and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives. Upon execution of this Assignment, Assignor shall retain no right or license under the Trademark.

2. Additional Actions. Assignor will execute such additional documents and take other actions as may be necessary or desirable within reason to secure, record or perfect the assignments of the Trademarks set forth herein, and to vest in Assignee all right, title and interest in and to the Trademarks. Assignor hereby authorizes Assignee to record this Assignment or such further assignment documents as may be required with the United States Patent and Trademark Office or foreign trademark offices or tribunals with respect to the Trademarks. Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to the trademarks as may be known and accessible to Assignor after a reasonable internal search and/or inquiry and will execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain and issue said trademark registrations and applications which may be

necessary or desirable within reason and by written agreement of the Parties to carry out the purposes therefor.

3. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to any conflict of laws provisions thereof.

IN WITNESS WHEREOF, the Parties hereto have caused this Trademarks Assignment Agreement to be duly executed by their duly authorized representatives as of the day and year first above written.
