**TERMINATION AND RELEASE OF
PATENT AND TRADEMARK SECURITY AGREEMENTS**

This Termination and Release of Patent and Trademark Security Agreements (this "Termination"), dated as of January 22, 2018, is executed by GARRISON LOAN AGENCY SERVICES LLC (as successor to Barclays Bank PLC ("Bank")), a Delaware limited liability company, as collateral agent ("Agent"), in favor of CONTEC, LLC, a Delaware limited liability company ("Debtor").

RECITALS

A. Pursuant to that certain Patent Security Agreement, dated as of November 2, 2012 (as amended, restated, supplemented, or otherwise modified, the "Patent Security Agreement"), by and between Debtor and Bank, Debtor granted to Bank a security interest in the Patent Collateral (as defined below).

B. Pursuant to that certain Trademark Security Agreement, dated as of November 2, 2012 (as amended, restated, supplemented, or otherwise modified, the "Trademark Security Agreement", and together with the Patent Security Agreement, the "Security Agreements"), by and between Debtor and Bank, Debtor granted to Bank a security interest in the Trademark Collateral (as defined below).

C. The Patent Security Agreement was recorded with the Patent Division of the United States Patent and Trademark Office on November 7, 2012, at Reel/Frame 029259/0801, to evidence the security interest granted under the Patent Security Agreement.

D. The Trademark Security Agreement was recorded with the Trademark Division of the United States Patent and Trademark Office on November 7, 2012, at Reel/Frame 004895/0760, to evidence the security interest granted under the Trademark the Security Agreement.

E. Agent agrees to execute this Termination in order to evidence the termination and release of its security interest in the Patent Collateral and the Trademark Collateral specified below.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Agent hereby agrees as follows:

I. Agent expressly terminates the Security Agreements and terminates, releases, discharges, reassigns, and conveys any and all of Agent's security interest in, lien on, and any other right, title and interest in, to and under all personal property of Grantor including, but not limited to the following, in each case whether now owned or existing or hereafter acquired or arising and wherever located:

(a) (i) all United States and foreign patents and certificates of invention, or similar intellectual property rights, and applications for any of the foregoing, including, but not limited to: (ii) any patent and patent application set forth on Schedule I to Patent Security Agreement attached hereto, (iii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals, and reexaminations thereof, (iv) all rights corresponding thereto throughout the world, (v) all inventions and improvements described therein, (vi) all rights to sue for past, present and future infringements thereof, (vii) all licenses, claims, damages, and proceeds of suit arising therefrom, (viii) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims damages, and proceeds of suit and (ix) any and all agreements and licenses providing for the granting of any exclusive right in or to any Patent

registered in the United States Patent & Trademark Office, including without limitation those set forth on Schedule II to Patent Security Agreement attached hereto (collectively, the “Patent Collateral”); and

(b) (i) all United States and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, trade dress, other source or business identifiers, designs and general intangibles of a like nature, all registration and applications for any of the foregoing including, but not limited to: (ii) the registrations and applications set forth on Schedule I to Trademark Security Agreement attached hereto, (iii) all extensions or renewals of any of the foregoing, (iv) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (v) the right to sue or otherwise recover for any past, present and future infringement, dilution or other violation of any of the foregoing or for any injury to goodwill, (vi) Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit, provided, however, that the foregoing shall not include any intent-to-use trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law or any other trademark interest that is damaged, harmed or restricted by the granting of a security interest and (vii) any and all agreements and licenses providing for the granting of any exclusive right in or to any Trademark registered in the United States Patent & Trademark Office, including without limitation those set forth on Schedule II to Trademark Security Agreement attached hereto (collectively, the “Trademark Collateral”).

2. Agent represents and warrants that it has the full power and authority to execute this Termination.

3. Agent authorizes and requests the patent and trademark divisions of the United States Patent and Trademark Office, and the United States Copyright Office, to record this Termination.

[Signature Page Follows]

IN WITNESS WHEREOF, Agent has executed and delivered this Termination as of the day and year first above written.
