INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

(“Assignment”), effective as of September 29, 2017 (“Effective Date”), is by and between General Electric Company, a corporation organized and existing under the laws of New York (“Assignor”) and BL Technologies, Inc., a corporation organized and existing under the laws of Delaware (“Assignee”).

WHEREAS, pursuant to that certain Stock and Asset Purchase Agreement, dated as of March 8, 2017, by and between MRA Investments, Inc. and SUEZ Water Technologies and Solutions S.A., a French *société anonyme* (as amended, restated, modified or supplemented from time to time in accordance with its terms, the “Purchase Agreement”), MRA Investments, Inc. agreed to sell, and cause certain of its affiliates to sell, and SUEZ Water Technologies and Solutions S.A. agreed to purchase, the Transferred Assets, in each case on the terms and subject to the conditions contained in the Purchase Agreement;

WHEREAS, as required in the Purchase Agreement, Assignor hereby desires to deliver, and transfer to Assignee its entire worldwide right, title and interest in, to and under the Registrable IP set forth on Exhibit A hereto (the “Assigned IP”); and

WHEREAS, Assignee desires to acquire the Assigned IP from Assignor.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged:

1. Unless otherwise defined herein, all capitalized terms used herein shall have the meanings ascribed to such terms in the Purchase Agreement.
2. Assignor hereby irrevocably conveys, assigns and transfers to Assignee its entire worldwide right, title and interest in, to and under the Assigned IP, together with any and all goodwill connected with and symbolized by the Assigned IP, free and clear of all Liens, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, as assignee of its respective entire right, title and interest therein, including, without limitation, all rights in and to all fees, income, royalties, damages and payments now or hereafter due or payable with respect thereto, any and all claims and causes of action (whether in law or in equity) with respect thereto, and the right to sue, counterclaim, and recover for past, present and future infringement, misappropriation, dilution or other violation of the rights assigned or to be assigned under this Assignment.
3. This Assignment is binding upon, and inures to the benefit of, the parties hereto and their respective legal representatives, successors and assigns. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other Assigned IP. All questions concerning the construction, validity and interpretation of this Assignment and the performance of the obligations imposed by this Assignment shall be governed by, and construed in accordance with, the laws of the State of New York without regard to the choice of law principles thereof.

4. Upon reasonable request by Assignee, Assignor will execute additional documents and take other actions as may be necessary or desirable to record or memorialize the assignments of the Assigned IP set forth herein, and to vest and perfect in Assignee such right, title, and interest in and to the Assigned IP as sold, assigned and transferred to Assignee hereunder.
5. Assignor hereby authorizes and requests the officials of the United States Copyright Office and the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign jurisdiction, to record Assignee as assignee and owner of the entire right, title and interest in, to and under the Assigned IP.
6. No waiver, modification or change of any of the provisions of this Assignment shall be valid unless in writing and signed by the party against whom such claimed waiver, modification or change is sought to be enforced.
7. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto, through their authorized representatives, have caused this Assignment to be duly executed and delivered as of the Effective Date.
