TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of January 31, 2018, is made by Tortoise Capital Advisors, L.L.C., Tortoise Index Solutions, LLC and Tortoise Investments, LLC (each a “Grantor”) in favor of UBS AG, Stamford Branch, as administrative agent and collateral agent (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”) for the benefit of itself and the Lenders (as defined in the Credit Agreement (defined below)).

WITNESSETH:

WHEREAS, Tortoise Investments, LLC (the “Initial Borrower”), Tortoise Parent HoldCo LLC (“Holdings”), Tortoise Borrower LLC (the “Successor Borrower”), the Subsidiary Guarantors party thereto from time to time, the Administrative Agent and the lenders party thereto from time to time (collectively, the “Lenders” and, together with the Administrative Agent, the “Secured Parties”), have entered into that certain Credit and Guarantee Agreement, dated as of January 31, 2018 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”);

WHEREAS, as a condition to the extension of credit by the Lenders to the Grantors under the Credit Agreement, each Grantor has agreed, pursuant to a Security Agreement of even date herewith (the “Security Agreement”), to grant to the Administrative Agent (for the benefit of itself and the Lenders) a security interest in, and lien on, all of the Trademark Collateral (defined below); and

WHEREAS, pursuant to the Security Agreement, each Grantor is required to execute and deliver this Trademark Security Agreement for purposes of recording such security interest with the United States Patent and Trademark Office;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of all the Secured Obligations, each Grantor hereby pledges and grants to the Collateral Agent for its benefit and for the benefit of the other Secured Parties, a Lien on and a first priority security interest (subject to Liens permitted under the Section 8.02 of the Credit Agreement) in and to all of the right, title and interest of such Grantor in, to and under the following Collateral of such Grantor (the “Trademark Collateral”):

- (a) all of its Trademarks, including, without limitation, those listed on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding the foregoing, no grant of any Lien or security interest shall be deemed granted hereunder on or in any any "intent-to-use" application for registration of a Trademark (as defined in the Security Agreement) filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement. In the event of a conflict between the provisions of this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

Section 4. Termination. This Trademark Security Agreement shall terminate and the Lien on and security interest in the Trademark Collateral shall be released upon the payment and performance of the Secured Obligations. Upon the termination of this Trademark Security Agreement, the Administrative Agent shall execute all documents, make all filings, take all other actions reasonably requested by the Grantors to evidence and record the release of the Lien on and security interests in the Trademark Collateral granted herein.

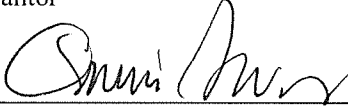

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York (without regard to conflicts of laws principles).
