NUNC PRO TUNC ASSIGNMENT OF TRADEMARKS

This NUNC PRO TUNC ASSIGNMENT OF TRADEMARKS (the "Assignment") is made by Active Boarder Corp., a Minnesota corporation ("Assignor"), to Active Sports, Inc., a Minnesota corporation ("Assignee").

WHEREAS, Assignor and Assignee are parties to an Asset Purchase Agreement dated July 10, 2017 (as it may be amended, modified or supplemented from time to time, the "Agreement"), providing for the execution and delivery of this Assignment by Assignor to Assignee (capitalized terms used herein without definition shall have the meanings set forth in the Agreement);

WHEREAS, Assignor owns certain trademarks and services marks including, but not limited to, those set forth on Schedule A attached hereto and incorporated by reference herein, which are registered in, or for which application for registration has been filed in, the United States Patent and Trademark Office, the Trade Marks Office of Canada and/or the European Union Intellectual Property Office, (together with all common law rights therein and renewals thereof, collectively, the "Trademarks" and/or the "Assigned Marks"); and

WHEREAS, Assignee desires to acquire all of Assignor's right, title and interest in and to the Assigned Marks; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

Assignor does hereby transfer, assign, convey and deliver to Assignee, free and clear of any and all liens and encumbrances, *nunc pro tunc*, now for then, effective as of July 10, 2017 (i) all right, title and interest of Assignor in, to and under the Assigned Marks and all goodwill of the business connected with the use of, and symbolized by, the Assigned Marks, (ii) all past, present and future claims and causes of action arising out of or relating to any infringement, dilution or other violation or impairment of the foregoing, and the right to sue or otherwise recover therefor, (iii) all proceeds, including license fees, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect the any of the foregoing, (iv) all rights of priority associated with the foregoing, and (v) all other rights accruing thereunder or pertaining thereto throughout the world, the same to be held and enjoyed by Assignee, and its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor hereby authorizes and requests that the Commissioner for Trademarks record Assignee as the assignee and owner of record for each of the Assigned Marks.

This Assignment shall be governed by, and construed in accordance with, the laws of the State of Minnesota without regard to principles of conflicts or choice of laws or any other law that would make the laws of any other jurisdiction other than the State of Minnesota applicable hereto.

This Assignment may be executed in any number of counterparts with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Assignment.

IN WITNESS WHEREOF, the parties have caused this Assignment to be duly executed as of the Execution Date.
