RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

THIS RELEASE OF SECURITY INTERESTS IN INTELLECTUAL PROPERTY (this "Release") is made as of Friday, February 23, 2018 ("Effective Date") by and between CloudVelox, Inc., a Delaware corporation ("Grantor"), and Silicon Valley Bank, a California corporation ("Grantee").

WHEREAS, pursuant to the terms and conditions of that certain Intellectual Property Security Agreement by and between Grantor and Grantee dated September 19, 2017 (the "Intellectual Property Security Agreement"), Grantor granted to Grantee a security interest in and to all of Grantor's right, title and interest in and to certain Intellectual Property Collateral (as defined in the Intellectual Property Security Agreement) owned by Grantor, including, without limitation, the United States patents and patent applications set forth on Schedule A attached hereto, and the United States trademark registrations and applications for registration set forth on Schedule B attached hereto;

WHEREAS, Grantor and Grantee entered into the Intellectual Property Security Agreement pursuant to the terms and conditions of that certain Loan and Security Agreement by and between Grantor and Grantee dated May 6, 2011, as amended for the first time on July 29, 2013, for the second time on July 14, 2015, and for the third time on September 19, 2017 (the "Loan and Security Agreement");

WHEREAS, the Security Agreement was recorded with the PTO with respect to a Grantor trademark on September 19, 2017, at Reel 6157, Frame 0011, and with respect to certain Grantor patents on September 19, 2017, at Reel 043632, Frame 0519; and

WHEREAS, Grantor has paid all of its outstanding indebtedness to Grantee.

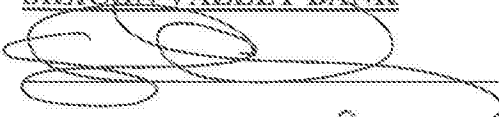

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantee hereby terminates the Intellectual Property Security Agreement and the Loan and Security Agreement, and hereby terminates, cancels and releases any and all security interests it has against the Intellectual Property Collateral.

Grantee represents and warrants that: (i) it has the full power and authority to execute this Release; (ii) it has not assigned, transferred, restricted or otherwise encumbered any security interest it has against the Intellectual Property; (iii) it has not recorded or otherwise evidenced its security interest with respect to any Intellectual Property Collateral owned by Grantor, other than those of the foregoing patents, patent applications, trademark registrations, and applications for trademark registrations set forth on Schedules A and B (attached hereto), in any jurisdiction throughout the world.

Grantee shall take all further actions, and provide to Grantor, Grantor's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by Grantor to more fully and effectively effectuate the purposes of this Release.

IN WITNESS WHEREOF, Grantee has caused this Release to be executed by its duly authorized representative as of the Effective Date.
