TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT dated as of March 8, 2018 (as amended, restated, supplemented or otherwise modified from time to time, this “Agreement”), is made by ACCESS DESTINATION SERVICES, LLC, a Delaware limited liability company (the “Grantor”), in favor of EAST WEST BANK, as administrative agent (in such capacity, the “Administrative Agent”) for the lenders party to that certain Credit Agreement dated as of the date hereof among Grantor, ACCESS COMPANIES, LLC, a Delaware limited liability company (together with the Grantor, the “Borrowers”), ACCESS DMC HOLDINGS LLC, a Delaware limited liability company, the several banks and other lenders from time to time party thereto (the “Lenders”, and collectively with the Administrative Agent, the “Creditor Parties”), and the Administrative Agent (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”).

Reference is also made to that certain Guarantee and Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”), by the Grantor and the other parties thereto in favor of the Administrative Agent for the benefit of the Credit Parties.

The Lenders have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor will derive substantial benefit from the extension of credit pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit.

Accordingly, the parties hereto agree as follows:

SECTION 1. **Terms.** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.2 of the Credit Agreement also apply to this Agreement.

SECTION 2. **Grant of Security Interest.** As security for the payment or performance, as the case may be, in full of the Obligations, Grantor, pursuant to the Security Agreement, did, and hereby does, grant to Administrative Agent, its successors and assigns, for the benefit of the Credit Parties, a security interest in, all of Grantor’s right, title or interest in or to any and all of the following assets and properties (collectively, the “Trademark Collateral”):

(a) all trademarks, service marks, trade names, business names, trade styles, logos, and other source or business identifiers, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (the “Trademarks”); and

- (b) all goodwill associated with or symbolized by the Trademarks.

Notwithstanding the foregoing, no security interest is granted in any “intent-to-use” Trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the registrability, validity or enforceability of such applications under applicable federal law; provided that, at such time any such “intent-to-use” Trademark application matures into an “actual use” Trademark application by such Grantor’s receipt of a written notification from the United States Patent and Trademark Office of its acceptance of either an “Amendment to Alleged Use” or “Statement of Use,” such “intent-to-use” Trademark application shall immediately be included in the Trademark Collateral, and any security interest that would otherwise be granted herein shall attach immediately to such “actual use” Trademark application.

SECTION 3. ***Security Agreement.*** The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Creditor Parties with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. ***Governing Law.*** This Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York without regard to conflict of laws principles thereof.

SECTION 5. ***Execution In Counterparts.*** This Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument. Any signature delivered by a party via facsimile or other electronic transmission shall be deemed to be an original signature hereto.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Trademark Security Agreement by its duly authorized representative as of the date first written above.
