TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement is effective as of March 9, 2017 between Cesca Therapeutics Inc. a Delaware corporation of 2711 Citrus Road, Rancho Cordova CA 95742, United States of America ("Assignor") and ThermoGenesis Corp., a Delaware corporation of 2711 Citrus Road, Rancho Cordova CA 95742, United States of America ("Assignee").

Assignor is the owner of certain trademarks including but not limited to those trademarks represented by the trademark registrations and trademark applications more fully described in Schedule A (the "Marks").

Assignor wants to assign and Assignee wants to receive all of Assignor's right, title and interest in the Marks and any goodwill associated with the marks.

The parties therefore agree as follows:

For the consideration of the transfer of shares of Assignee to Assignor and for additional consideration of USD\$10.00, Assignor assigns to Assignee all of Assignor's right, title and interest in the Marks as they exist anywhere in the world and as may be created or acquired at any date in the future, along with any goodwill associated with the Marks. This assignment includes without limitation all applications and registrations for the Marks, all priority rights or claims based on International Conventions, all rights to proceeds of the Marks, including income, royalties, damages, profits, and payments now or hereafter payable, all rights of action of Assignor, and the right to take proceedings and to seek damages and all other available remedies, against third parties for past, present, or future infringement of the Marks.

Assignor shall execute and deliver any other documents and perform any other reasonable acts Assignee may request, that may be necessary and appropriate to effectuate the provisions of this agreement and establish Assignee's rights in the Marks.

At the request and expense of Assignee, Assignor shall provide all reasonable assistance which Assignee considers necessary in connection with bringing or defending any proceedings in relation to the Marks.

Each party has signed this agreement effective on the date stated in the introductory clause.
