## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of March 13, 2018 (this “Trademark Security Agreement”), is made by each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of PennantPark Loan Agency Servicing, LLC (“PennantPark”), as administrative agent (in such capacity, together with its successors and permitted assigns, the “Agent”) for the Lenders and the other Secured Parties (each as defined in the Credit Agreement referred to below).

## WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of March 13, 2018 (as the same may be amended, restated, supplemented, extended and/or modified from time to time, the “Credit Agreement”), by and among the Borrower, the other Credit Parties from time to time party thereto, the Lenders from time to time party thereto and PennantPark, as Agent for the Lenders, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, each Grantor is party to a Guaranty and Security Agreement dated as of March 13, 2018 in favor of Agent (as such agreement may be amended, restated, supplemented and/or otherwise modified from time to time, the “Guaranty and Security Agreement”), pursuant to which each Grantor is required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees with Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined or defined by reference in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to Agent for the benefit of the Secured Parties, and grants to Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (other than any Excluded Property, but only during such time that such Collateral actually constitutes Excluded Property; provided, however, that if and when any property shall cease to be Excluded Property, a security interest in such Collateral shall be automatically deemed granted therein) (the “Trademark Collateral”):

(a) all of its trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, logos and other source or business identifiers, and all registrations and recordations thereof and all applications in connection therewith, including those trademark registrations and applications set forth on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each of the foregoing; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement. In the event of any conflict between the provisions of this Trademark Security Agreement and the provisions of the Guaranty and Security Agreement, the Guaranty and Security Agreement shall control.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Termination. This Trademark Security Agreement shall terminate concurrently with the termination of the Guaranty and Security Agreement.

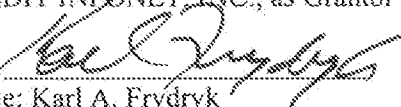

Section 7. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

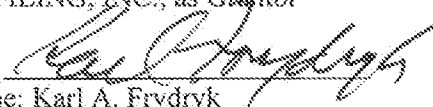

CREDIT INFONET, INC., as Grantor
