Assignment of Intellectual Property

This Assignment is made and entered into on this 16 day of October 2017, by United States Olympic Committee, a Congressionally chartered corporation, having a place of business at 1 Olympic Plaza, Colorado Springs, CO 80909 (hereinafter "Assignor"), to the United States Center for SafeSport, a Colorado non-profit corporation, having a place of business at 1385 S. Colorado Blvd., Suite A-706, Denver, CO 80222 (hereinafter "Assignee") (each a "Party" and collectively the "Parties").

WHEREAS, Assignor owns all right, title, and interest in and to the trademark, copyrights, and domain names as shown on the Schedules A and B (collectively, the "Subject IP"), as well as all applications, registrations, logos, and common law rights relating thereto, together with the goodwill of the portion of any business associated with the use of and/or symbolized by the Subject IP; and

WHEREAS, Assignee wishes to acquire from the Assignor all right, title, and interest in and to the Subject IP, including in and to all applications, registrations, logos, domain names, and common law rights relating thereto, together with the goodwill of the portion of any business associated with the use of and/or symbolized by the Subject IP, and all other rights pertaining to ownership of the Subject IP, including the right to recover for past infringement thereof.

NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor hereby assigns and transfers to Assignee the Assignor's entire right, title, and interest in and to the Subject IP throughout the world, as well as in and to all applications, registrations, logos, and common law rights relating thereto, together with the goodwill of the portion of any business associated with the use of and/or symbolized by the Subject IP, the same to be held and enjoyed by the Assignee as fully and entirely as the same would have held by Assignor had such Assignment not been made, which Assignment and transfer included any and all past and present rights which have accrued or may accrue to Assignor of any and all kind or nature incident or appertaining to the Subject IP, including the right to sue for and recover any accrued damages for infringement occurring prior to assignment of the Subject IP or prior to the execution of this instrument, those rights to be held and enjoyed by Assignee, its successors, and/or its assigns.

Assignor agrees to supply Assignee with any and all further documents necessary to effectuate this Agreement and to provide full and timely assistance to Assignee in satisfying the requirements of any governmental authorities to transfer the title of the Subject IP from Assignor to Assignee.

Assignor represents and warrants that it has all necessary title and right to grant the assignment and rights transferred hereunder, free and clear of all liens and encumbrances of any kind, and that it has not made and will not make any commitments to others inconsistent with or in derogation of such rights.

The Parties confirm and acknowledge that this Assignment shall constitute the entire agreement between them regarding the Subject IP and shall supersede and override all previous communications, either oral or written, between the Parties with respect to the subject matter of this Assignment, and no agreement or understanding varying or extending the same shall be binding upon any Party unless arising out of the specific provisions of this Assignment. No amendment, modification, or addition to this Assignment shall be effective or binding on either of the Parties unless set forth in writing and executed by them through their duly authorized representatives; and subject to obtaining requisite approval, if any, following such execution.

The undersigned individual for Assignor represents and warrants that he or she has the full authority to act on behalf of and bind the Assignor.
