INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement, dated as of March 14, 2018 (this "IP Assignment"), is entered into between Calvert Investments, Inc., a Delaware corporation (the "Assignor") and Calvert Research and Management, a Massachusetts business trust (the "Assignee"), the purchaser of certain assets of the Assignor pursuant to an Asset Purchase Agreement among the Assignor, Calvert Investment Management, Inc., a Delaware corporation, Ameritas Holding Company, a Nebraska mutual corporation, and the Assignee, Eaton Vance Management, a Massachusetts business trust, and Eaton Vance Corp., a Maryland corporation, dated as of October 20, 2016 (the "Asset Purchase Agreement").

WHEREAS, under the terms of the Asset Purchase Agreement, Assignor has conveyed, transferred and assigned to Assignee, among other assets, all registered intellectual property of the Assignor;

WHEREAS Assignor has agreed to execute and deliver this IP Assignment, for recording with governmental authorities including, but not limited to, the US Patent and Trademark Office and the US Copyright Office;

NOW THEREFORE, the parties agree as follows:

1. Assignment. In consideration for the execution of the Asset Purchase Agreement, the payment of the consideration stipulated in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the following (the "Transferred Intellectual Property"):

(a) the trademarks and the registrations and applications therefor set forth in Schedule 1 hereto, together with the goodwill connected with the use of and symbolized thereby and all issuances, extensions and renewals thereof;

(b) the copyrights set forth in Schedule 2;

(c) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(d) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(e) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future

infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor authorizes the Commissioner for Patents, the Commissioner for Trademarks, the Register of Copyrights and any other governmental officials to record and register this IP Assignment upon request by Assignee. Assignor shall take such steps and actions following the date hereof, including the execution of any documents, files, registrations, or other similar items, to ensure that the Transferred Intellectual Property is properly assigned to Assignee, or any subsequent assignee or successor thereto.

3. Terms of the Asset Purchase Agreement. The terms of the Asset Purchase Agreement, including, but not limited to, the representations, warranties, covenants, agreements and indemnities relating to the Transferred Intellectual Property are incorporated herein by this reference. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

4. Multiple Counterparts; Facsimile Signatures. This IP Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Any signature page delivered via fax machine or electronic image scan, receipt acknowledged in each case, shall be binding to the same extent as an original signature page. Any party who delivers such a signature page agrees to later deliver an original counterpart to any party which requests it.

5. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their successors and assigns.

6. Choice of Law. This IP Assignment and any claim, controversy or disputes arising under or related to this IP Assignment (whether for breach of contract, tortious conduct or otherwise) shall be governed and construed in accordance with the internal laws of the State of Delaware, without giving effect to the conflict of laws rules thereof that would cause the application of the laws of any other jurisdiction.

[Signature page follows]

IN WITNESS WHEREOF, the parties hereto have caused this IP Assignment to be duly executed on their respective behalf, by their respective officers thereunto duly authorized, all as of the day and year first above written.
