TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") is made as of this 16th day of March, 2018 by the undersigned "Grantor" (the "Grantor") in favor of **CRESCENT DIRECT LENDING, LLC**, in its capacity as Agent for the Secured Parties (as defined in the Guarantee and Collateral Agreement referenced below) (in such capacity, "Grantee"):

WITNESSETH

WHEREAS, Grantor, the other Loan Parties from time to time party thereto, Grantee, and the financial institutions party thereto from time to time as Lenders have entered into a certain Credit Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which Grantee and Lenders have agreed, subject to the terms and conditions thereof, to make certain loans to, and other credit accommodations in favor of, **NEW MOUNTAIN LEARNING LLC**, a Delaware limited liability company (the "Successor Borrower") (collectively, the "Loans").

WHEREAS, pursuant to the terms of a certain Guarantee and Collateral Agreement dated as of the date hereof among Grantee, **EMC PARENT INC.**, a Delaware corporation ("Holdings" or "Initial Borrower"), Grantor, and the other Persons from time to time party thereto as "Grantors" (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement"), Grantor has granted to Grantee, for its benefit and the benefit of the other Secured Parties, a security interest and lien upon all or substantially all assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Guarantee and Collateral Agreement), including registrations and applications therefore together with the goodwill of the business associated with Grantor's Trademarks, and all products and proceeds thereof, to secure the payment and performance of the Secured Obligations (as defined in the Guarantee and Collateral Agreement).

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Credit Agreement and Guarantee and Collateral Agreement. The Credit Agreement and Guarantee and Collateral Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All capitalized terms used herein but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Guarantee and Collateral Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Secured Obligations, Grantor hereby grants to Grantee, for its benefit and the benefit of the other Secured Parties, and hereby reaffirms its prior grant pursuant to the Guarantee and Collateral Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter created, acquired or arising:

(i) each Trademark listed on Schedule A annexed hereto, together with any renewals and extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(ii) all income, royalties, products and proceeds of the foregoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement, misappropriation, violation, dilution or other impairment of each such Trademark, or (b) injury to the goodwill associated with each such Trademark.

3. Intent-To-Use Trademarks. Notwithstanding the foregoing, and solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, the Trademark Collateral shall not include any intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, provided that upon such filing and acceptance, such intent-to-use applications shall be included in the Trademark Collateral.

4. Governing Law. This Agreement shall be a contract made under and governed by the internal laws of the State of New York applicable to contracts made and to be performed entirely within such State, without regard to conflicts of laws principles

5. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement.

[Signature Page Follows]

IN WITNESS WHEREOF, Grantor has duly executed this Agreement as of the date first written above.
