EXHIBIT 2
RECORDABLE TRADEMARK ASSIGNMENT

This RECORDABLE TRADEMARK ASSIGNMENT (this "Assignment") is made as of March 5, 2018 (the "Effective Date") by and between International Automotive Components Group North America, Inc., a Delaware corporation ("Assignor") and Auria Solutions UK I Ltd., an English private limited company ("Assignee"). Each of Assignor and Assignee are referred to as a "Party" and together as the "Parties".

WHEREAS, Assignor and Assignee have entered that certain First Amendment to Intellectual Property Transfer And License Agreement dated February 28, 2018 (the "First Amendment"), pursuant to which Assignee has acquired certain assets of Assignor, including without limitation the Assigned Trademark Rights (defined below); and

WHEREAS, Assignor wishes to confirm, memorialize and record the assignment of the Assigned Trademark Rights to Assignee as set forth in the First Amendment.

NOW, THEREFORE, in consideration of the mutual representations, warranties and covenants set forth herein and in the First Amendment, and for certain monetary consideration and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignor does hereby confirm that it has irrevocably sold, transferred, assigned and delivered, and hereby does sell, transfer, assign and deliver unto Assignee, and Assignee hereby assumes and accepts, all of Assignor's worldwide rights, title, and interest in and to (a) the trademark registrations and trademark applications listed on Annex A hereto (provided that, with respect to the United States intent-to-use trademark applications listed on Schedule A hereto, the transfer of such applications, accompanies, pursuant to the First Amendment, the transfer of Assignor's business to which the trademark pertains, and that business is ongoing and existing); together with all registrations and applications for the foregoing; and all common law rights in the foregoing; (b) all issuances, extensions and renewals of the foregoing; (c) all rights to create new trademarks that incorporate the foregoing; (d) all rights to request, apply for, file and register the foregoing; (e) all the goodwill of the business connected with the use of and symbolized by the foregoing; (f) all defenses relating to or arising from any of the foregoing, and all rights of action arising from the foregoing, including without limitation all claims for damages by reason of present, past and future infringement, dilution or violation of the foregoing and all present, past and future rights to sue and collect damages or seek injunctive relief for any such infringement, dilution or violation of the foregoing; and (g) all income, royalties and any other payments now and hereafter due and/or payable to Assignor in respect of the foregoing, in each case of (a) – (g), to be held and enjoyed by Assignee for its own use and benefit and for its successors and assigns as the same would have been held as fully and entirely by Assignor had this assignment not been made (collectively, the "Assigned Trademark Rights").

2. Assignor hereby authorizes and requests the competent authorities including without limitation an official of the United States Patent and Trademark Office, an official of any non-U.S. governmental trademark office and an official of any intergovernmental organization, whose duty is to issue trademark registrations or other evidence or forms of intellectual property and/or industrial property protection on

applications as aforesaid, to issue the same to the Assignee, its successors, and assigns, in accordance with the terms of this Assignment.

3. Assignor shall, and shall their respective officers, directors and employees to, promptly execute and deliver such documents, and do and perform such acts and things as Assignee, its legal representatives, its successors, and/or assigns may reasonably request to give effect to, document and record, perfect and enforce the assignment herein recited, including without limitation prompt production of pertinent facts and documents in its possession or under its control, giving of testimony, execution of papers, and other assistance all to the extent reasonably necessary or desirable for: (a) perfecting all right, title and interest herein conveyed; (b) prosecuting any applications herein conveyed; and (c) legal proceedings involving any trademark and any applications therefor, including without limitation opposition proceedings, infringement actions and court actions; provided, however, that the expense incurred by Assignor in providing such cooperation shall be paid for by Assignee.

4. This Assignment shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns. This Assignment and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Assignment shall be governed by and construed in accordance with the internal laws of the State of New York applicable to agreements made and to be performed entirely within the State of New York, without regard to the conflicts of laws principles thereof. This Assignment may be executed in the original or by facsimile in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.
