This TRADEMARK SECURITY AGREEMENT ("Trademark Security Agreement"), dated as of March 13, 2018, is made by and between EMERGE PRINT MANAGEMENT, LLC, a Florida limited liability company, TOTAL PRINT USA LLC, a Florida limited liability company, SAGAMORE SOLUTIONS, LLC, a Florida limited liability company, and EMERGE HOLDINGS, LLC, a Florida limited liability company, jointly and severally (collectively the "Borrowers" or "Grantors") in favor of BANKUNITED, N.A., a national banking association (the "Lender or "Secured Party").

WHEREAS, Borrowers have entered into an Amended and Restated Loan Agreement dated as of March 13, 2018 (the "Loan Agreement"), with the Lender.

WHEREAS, as a condition precedent to the renewal and increase of an existing loan by the Lender under the Amended and Restated Loan Agreement, Grantors have executed and delivered to the Lender that certain Pledge and Security Agreement dated as of March 13, 2018, made by and between the Grantors and the Lender (the "Security Agreement").

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Lender, for the benefit of the Secured Party, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed to execute and deliver this Trademark Security Agreement for recording with governmental authorities, including, but not limited to, the United States Patent and Trademark Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Grant of Security. Grantors hereby grant to the Secured Party a security interest in and to all of the following property now owned or at any time acquired by Grantors or in which Grantors now have or at any time in the future may acquire any right, title, or interest in, to and under the following (the "Trademark Collateral"):

(a) the trademark registrations and applications set forth in Schedule I hereto, together with the goodwill connected with the use of and symbolized thereby, and all extensions and renewals thereof (the "Trademarks"), excluding only United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant, attachment, or enforcement of a security interest therein would, under applicable federal law, impair the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(b) all rights of any kind whatsoever of Grantors accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds and products of any and all of the foregoing now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right, but no obligation, to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation. Each Grantor authorizes the Commissioner for Trademarks and any other government officials to record and register this Trademark Security Agreement upon request by the Lender.

3. Loan Documents. This Trademark Security Agreement has been entered into pursuant to and in conjunction with the Security Agreement, which is hereby incorporated by reference. The provisions of the Security Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of the Lender with respect to the Trademark Collateral are as provided by the Loan Agreement, the Security Agreement, and related documents, and nothing in this Trademark Security Agreement shall be deemed to limit such rights and remedies.

4. Execution in Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or in electronic (i.e., "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

5. Successors and Assigns. This Trademark Security Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law. This Trademark Security Agreement and any claim, controversy, dispute, or cause of action (whether in contract or tort or otherwise) based upon, arising out of, or relating to this Trademark Security Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Florida, without giving effect to any choice or conflict of law provision or rule (whether of the State of Florida or any other jurisdiction).
