## TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Agreement") is made and entered into as of this 19<sup>th</sup> Day of March 2018 ("Effective Date") by and between Gas Technology Institute, an Illinois not-for-profit corporation, having its principal place of business at 1700 South Mount Prospect Road, Des Plaines, Illinois 60018 (the "Assignor") and LocusView Solutions Incorporated, a Delaware corporation, having its principal place of business at 626 W. Randolph, Chicago, IL. 60606. The Assignor and the Assignee are hereinafter referred to, individually, as "Party" and collectively, as "Parties".

**WHEREAS**, Assignor has adopted and used in the United States the trademarks listed on the Schedule of Marks attached hereto (the "Marks") in connection with its business, and is the owner of the Marks, and owns federal registrations or applications for the Marks; and

**WHEREAS**, Assignee is desirous of confirming as a matter of record its acquisition of the Marks, including pending applications and registrations, together with the goodwill of the business connected with the Marks.

**NOW THEREFORE**, the Parties hereto agree as follows:

1. For and in consideration of the sum of Ten US dollars (\$10.00 US) paid by the Assignee to the Assignor, the receipt and sufficiency of which are acknowledged, Assignor assigns to Assignee all rights, title and interest in and to the Marks, including pending applications and registrations, together with the goodwill of the business symbolized by the Marks, and all causes of action and claims based on past actions or infringement related to the Marks.
2. ASSIGNOR MAKES NO WARRANTIES, EXPRESS OR IMPLIED, TO ANY PERSON OR ENTITY WITH RESPECT TO THE MARKS OR ANY RELATED MATERIALS PROVIDED HEREUNDER, ALL OF WHICH ARE PROVIDED "AS IS," AND DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT.
3. IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM OR RELATED TO THE USE OF THE MARKS, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
4. This Agreement will be governed by the laws of the State of Illinois of the United States of America, without regard to choice of law principles subject to applicable federal law. The Parties agree to be subject to personal jurisdiction in the Federal and State Courts located in Cook County in the State of Illinois of the United States of America. This Agreement may not be altered, amended, or modified except by a written instrument signed by the duly authorized representatives of the Parties. If any provision of the Agreement is held to be unenforceable, all other provisions will continue in full force and effect. The Agreement supersedes any and all prior understandings or previous

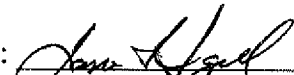

agreements between the Parties, oral or written, relating to the subject matter herein and constitutes the sole and complete agreement between the Parties related to the subject matter hereof. Any delay by a Party to enforce any right under the Agreement shall not act as a waiver of that right, nor as a waiver of the Party's ability to later assert that right relative to any particular factual situation.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed by their authorized representatives as of the Effective Date. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the Party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
