**TRADEMARK SECURITY AGREEMENT**

This **TRADEMARK SECURITY AGREEMENT**, dated as of March 22, 2018 (as amended, restated, supplemented or otherwise modified from time to time, this “**Agreement**”), is made by the entities identified as grantors on the signature pages hereto (individually, a “**Grantor**” and collectively, the “**Grantors**”) in favor of Oaktree Fund Administration, LLC, as Collateral Agent for the Secured Parties (in such capacity and together with its successors and permitted assigns, the “**Collateral Agent**”).

**WHEREAS**, the Grantors are party to a Guarantee and Collateral Agreement, dated as of March 22, 2018 (as amended, restated, supplemented or otherwise modified from time to time, the “**Guarantee and Collateral Agreement**”), among the Grantors and the other grantors party thereto and the Collateral Agent pursuant to which the Grantors granted a security interest to the Collateral Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

**NOW, THEREFORE**, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Collateral Agent as follows:

**SECTION 1. DEFINED TERMS.**

Unless otherwise defined herein, terms defined in the Guarantee and Collateral Agreement and used herein have the meaning given to them in the Guarantee and Collateral Agreement and the Credit Agreement (as defined in the Guarantee and Collateral Agreement), as applicable.

**SECTION 2. GRANT OF SECURITY INTEREST.**

**SECTION 2.1. Scope of Grant.** Each Grantor, as security for the payment and performance in full in cash of the Obligations, hereby pledges to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest in all right, title or interest in, to or under any and all of the following assets and properties, wherever located, now owned or at any time hereafter created, developed, or acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

- (i) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (“**USPTO**”) (or any successor office) or any similar offices in any State of the United States or any other country or any political subdivision thereof, including the registrations and registrations applications listed in Schedule A hereto, and all extensions

or renewals thereof, all goodwill associated therewith or symbolized thereby and all other assets, rights and interests that uniquely reflect or embody such goodwill,

(ii) all additions and improvements to the foregoing, renewals and extensions thereof, rights to sue or otherwise recover for infringements, dilution, or other violations of any of the foregoing or any injury to the related goodwill which, for the avoidance of doubt, shall not be exercisable by the Collateral Agent or any of the Secured Parties unless an Event of Default has occurred and is continuing,

(iii) all other rights of any kind accruing thereunder or pertaining thereto throughout the world, and

(iv) to the extent not otherwise included, all Proceeds, Supporting Obligations products, accessions, rents and profits of any and all of the foregoing.

SECTION 2.2. Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing, and acceptance by the USPTO, of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

### SECTION 3. SECURITY AGREEMENT.

The security interests granted pursuant to this Agreement are granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Guarantee and Collateral Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in, and are subject to, the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control. This Agreement is made for collateral purposes only. So long as no Event of Default shall have occurred and be continuing, the Grantors may use, license and exploit the Trademark Collateral in any lawful manner permitted hereunder, under the Guarantee and Collateral Agreement and the other Loan Documents.

### SECTION 4. RECORDATION.

Each Grantor hereby authorizes and requests that the USPTO record this Agreement.

### SECTION 5. TERMINATION.

This Agreement shall terminate and the lien on and security interest in the Trademark Collateral shall be released upon the payment and performance in full in cash of the Obligations

(other than any indemnification obligations with respect to which no claim has been asserted). Upon the termination of this Agreement, the Collateral Agent shall execute all documents, make all filings, take all other actions reasonably requested by the Grantors, at the Grantors' expense, to evidence and record the release of the lien on and security interests in the Trademark Collateral granted herein.

SECTION 6. GOVERNING LAW.

THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. COUNTERPARTS.

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
