FORM OF TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this “Agreement”), dated March 14, 2018, is by and between Launch Technical Workforce Solutions, LLC, a Delaware limited liability company (“Buyer”), and PlaneTechs, LLC, a Nevada limited liability company (“Seller”).

WHEREAS, Seller owns certain trademarks and trademark registrations set forth on Exhibit A hereto (the “Trademark Property”); and

WHEREAS, Buyer desires to acquire all of Seller’s right, title, and interest in, to, and under the Trademark Property pursuant to that certain Asset Purchase Agreement (the “Purchase Agreement”), dated [·], 2018, by and between Buyer and Seller.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

Seller hereby sells, assigns, transfers, conveys and delivers to Buyer all of the Trademark Property, as well as any goodwill symbolized by the Trademark Property, and including all common law and other rights in said Trademark Property, and all claims, demands and causes of action, both at law and in equity, that Seller may have, or may hereinafter acquire, on account of any infringement of the Trademark Property prior to the date hereof, and does hereby empower Buyer, and its successors-in-interest, to sue for and collect the same, to its and their own and absolute use.

Seller hereby authorizes and requests the Commissioner of Trademarks of the United States, and any other official of any applicable governmental entity, to record this Agreement and to issue any and all registrations from any and all applications for registration included in the Trademark Property to and in the name of Buyer.

The terms of the Purchase Agreement are incorporated herein by this reference, and will not be superseded by this Agreement, but will remain in full force and effect to the full extent provided therein. If there is any inconsistency between the Purchase Agreement and this Agreement, the Purchase Agreement will control. Capitalized terms used herein and not otherwise defined herein will have the respective meanings assigned to such terms in the Purchase Agreement.

This Agreement may be executed in one or more counterparts, all of which will be considered one and the same agreement.

This Agreement will be governed by and construed under the laws of New York, without regard to conflicts of laws principles that would require the application of any other law.
