ASSIGNMENT OF U.S. TRADEMARKS

This ASSIGNMENT OF U.S. TRADEMARKS (the "Assignment") is made as of March 23, 2018 by IP Services International Inc. ("Assignor"), to Sycuan Tribal Development Corporation ("Assignee").

WHEREAS, Assignor owns the marks set forth on Schedule A hereto, which are registered in the United States Patent and Trademark Office (collectively, the "Assigned Marks");

WHEREAS, Assignor has agreed to sell, transfer and convey to Assignee the right, title and interest of Assignor in and to the Assigned Marks; and

WHEREAS, Assignor has agreed to execute and deliver this Assignment for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor agrees as follows:

Assignor does hereby transfer, convey, assign and deliver to Assignee all right, title and interest of Assignor in and to the Assigned Marks, the registrations and applications for registrations thereof, and the goodwill of the business connected with the use thereof and symbolized thereby, free and clear of all liens, all rights of priority therein in any country as may now or hereafter be granted to it by law, treaty or other international convention; and all rights, interests, claims and demands recoverable in law or equity that Assignor has or may have in profits and damages for past, present and future infringements of the Assigned Marks, including, without limitation, the right to compromise, sue for and collect such profits and damages; the same to be held and enjoyed by Assignee, its successors and assigns or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor hereby agrees that Assignor shall execute and deliver to Assignee such additional instruments, documents, conveyances or assurances, and take such other action as shall be necessary or otherwise reasonably requested by Assignee, to confirm and assure the rights and obligations provided for in this Assignment and render effective the consummation of the transactions contemplated hereby, or otherwise to carry out the intent and purposes of this Assignment.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly executed as of the date first written above.
