TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Trademark Assignment"), effective April 2, 2018, is made and entered into by Kevin Glass ("Assignor") in favor of HaystackID LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor owns all right, title and interest in and to U.S. trademark registration no. 4,100,207, filed March 15, 2011 and registered February 14, 2012, including, without limitation, all goodwill associated therewith (collectively, the "Mark");

WHEREAS, Assignee is the successor to that portion of the business to which the Mark pertains and such business is existing and ongoing; and

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all rights, title and interests in and to the Mark and all goodwill associated with the Mark;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby agrees as follows:

1. Assignor hereby irrevocably sells, conveys, assigns and transfers to Assignee, free and clear of any and all liens and encumbrances, all of Assignor's right, title, and interest in and to the Mark, together with the goodwill of the business associated therewith, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations and all corresponding rights that are or may be secured under the laws of any jurisdiction throughout the world, now or hereafter arising or in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Trademark Assignment had not been made, together with all rights to collect royalties, products and proceeds in connection with any of the foregoing and all rights to sue for past, present or future infringement, misappropriation, unfair competition, dilution or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith, and all rights corresponding thereto throughout the United States. All costs and fees in connection with recording this Trademark Assignment shall be at the sole expense of the Assignee.

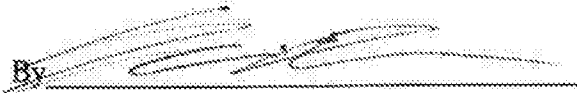

2. Assignor hereby requests the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office to record Assignee as the assignee and owner of the Mark and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Trademark Assignment.

3. Assignor shall provide Assignee, its successors and assigns, and their legal representatives such information, documents and assistance as reasonably necessary to effectuate the purposes of this Trademark Assignment.

4. This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of New York.

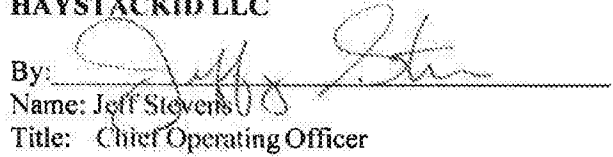

IN WITNESS WHEREOF, the undersigned has caused this Trademark Assignment to be executed in Assignor's name as of the date first written above.
