### **AGREEMENTS**

For the good and valuable consideration set forth in the Purchase Agreement, the receipt and sufficiency of which is hereby acknowledged, the Assignors and the Assignee hereby agree as follows:

1. The Assignors do hereby irrevocably sell, assign, hypothecate, transfer and convey to the Assignee, its successors and permitted assigns, and Assignee does hereby purchase, acquire, accept and assume from the Assignors, all of each Assignors’ right, title and interest in, to and under the Trademarks, together with that portion of Assignors’ business to which the Trademarks pertain, and all registrations and pending applications for the Trademarks, any renewals of the registrations, in all countries throughout the world, for the Assignee’s own use and enjoyment, and for the use and enjoyment of the Assignee’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignors if this Trademark Assignment had not been made, together with all causes of action

for any and all previously occurring infringement of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.

2. The Assignors hereby request the Commissioner for Trademarks at the United States Patent and Trademark Office (the “**Commissioner**”), as well as his or her counterparts at the corresponding entities or agencies in any country or jurisdiction that may exercise authority over any of the Trademarks, to record this Trademark Assignment.
