TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of December 31, 2017 ("Effective Date") by and between **E4 Health, Inc.**, a Delaware corporation ("Assignor") and **E4, LLC**, a Missouri limited liability company ("Assignee").

WHEREAS, Assignor is the owner of the entire right, title and interest in and to the trademark applications and registrations set forth on Schedule A (the "Marks");

WHEREAS, Assignor, Assignee and certain other parties entered into that certain Asset Purchase Agreement (the "Purchase Agreement") dated as of December 31, 2017;

WHEREAS, each capitalized term used but not defined in this Assignment shall have the meaning ascribed to it in the Purchase Agreement; and

WHEREAS, in connection with the Purchase Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all right, title and interest in and to the Marks, together with the goodwill associated with the Marks and that portion of the business related thereto.

NOW, THEREFORE, effective as of the Closing, upon the terms and subject to the conditions set forth in the Purchase Agreement, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers, conveys, and delivers to Assignee, free and clear of any and all Encumbrances other than Permitted Encumbrances, the entire right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith.

Assignor hereby requests the United States Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Marks.

This Assignment shall be governed by and construed under the laws of the State of Delaware as they apply to contracts entered into and performed wholly within Delaware, without regard to conflicts-of-laws principles that would require the application of any other law.

This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
