## EXHIBIT A

### FORM OF SHORT FORM INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the "IP Security Agreement") dated March 30, 2018, is made by **HRHH PROPCO, LLC, HRHH CAFÉ PROPCO, LLC, and JC HOSPITALITY LLC**, each a Delaware limited liability company, having an office at 11150 Santa Monica Boulevard, Suite 1400, Los Angeles, California 90025 (collectively, "Pledgor"), in favor of **JPMORGAN CHASE BANK, NATIONAL ASSOCIATION**, a banking association chartered under the laws of the United States of America, having an address at 383 Madison Avenue, New York, New York 10179, in its capacity as administrative agent (together with its successors and assigns, "Administrative Agent") for the Lenders (as defined in the Loan Documents, as defined below).

WHEREAS, the Lenders and Administrative Agent have entered into certain loan documents, each dated as of March 30, 2018 (collectively, as amended, amended and restated, supplemented or otherwise modified from time to time, the "Loan Documents"), pursuant to which the Lenders have agreed to make a loan to certain Pledgor, secured by the liens and security interests of certain security agreements.

WHEREAS, in connection with the Loan Documents, the Pledgor and the Administrative Agent have entered into the Intellectual Property Security Agreement, dated March 30, 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Intellectual Property Security Agreement") in order to induce the Lenders to make the loan specified in the Loan Documents.

WHEREAS, under the terms of the Intellectual Property Security Agreement, the Pledgor has granted to the Administrative Agent, for the benefit of Lenders, a security interest in, among other property, certain intellectual property of the Pledgor, and have agreed as a condition thereof to execute this IP Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor agrees as follows:

SECTION 1. Grant of Security. The Pledgor hereby grants to the Administrative Agent, for the benefit of Lenders, a security interest in all of such Pledgor's right, title and interest in and to the following (the "Collateral"):

(a) the United States Patents (as defined in the Intellectual Property Security Agreement) set forth in Schedule A hereto;

(b) the United States registered Trademarks (as defined in the Intellectual Property Security Agreement) and Trademarks for which United States applications are pending, which are set forth in Schedule B hereto; and

(c) the United States registrations of Copyrights (as defined in the

Intellectual Property Security Agreement) set forth in Schedule C hereto.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by the Pledgor under this IP Security Agreement secures the payment of all Obligations of such Pledgor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this IP Security Agreement secures, as to Pledgor, the payment of all amounts that constitute part of the Debt and that would be owed by such Pledgor to Administrative Agent or any Lender under the Loan Documents but for the fact that such Debt is unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Pledgor.

SECTION 3. Recordation. This IP Security Agreement has been executed and delivered by the Pledgor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office and the United States Copyright Office. The Pledgor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Intellectual Property Security Agreement. The Pledgor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of the Administrative Agent with respect to the Collateral are more fully set forth in the Intellectual Property Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Intellectual Property Security Agreement, the terms of the Intellectual Property Security Agreement shall govern.

SECTION 6. Governing Law. This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

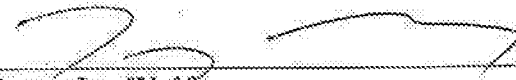

SECTION 7. Severability. In case any one or more of the provisions contained in this IP Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Intellectual Property Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

[Remainder of Page Intentionally Blank]

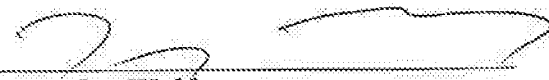

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives, all as of the date set forth above.
