TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this "Agreement"), dated as of April 3, 2018, is entered into by each of the undersigned (each, a "Grantor") in favor of Morgan Stanley Senior Funding, Inc., as collateral agent (together with its successors, in such capacity, the "Collateral Agent").

WHEREAS, the Grantors have executed and delivered that certain Pledge and Security Agreement, dated on even date herewith, in favor of the Collateral Agent (the "Pledge and Security Agreement"), pursuant to which the Grantors have granted to Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Grantors' right, title, and interest in and to the Trademark Collateral (as defined below);

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors and the Collateral Agent hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms not otherwise defined herein have the meanings set forth in the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest. Subject to the terms of, and limitations contained in, the Pledge and Security Agreement, each Grantor hereby grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantor's ownership right, title and interest in, to and under the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising and wherever located (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due of the Obligations of such Grantor:

all United States and foreign trademarks, trade names, trade dress, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, whether or not registered and with respect to any and all of the foregoing: (i) all registrations and applications therefor including, without limitation, the registrations and applications listed on Schedule A, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (iv) the right to sue or otherwise recover for any past, present and future infringement, dilution or other violation of any of the foregoing or for any injury to the related goodwill, (v) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect thereto and (vi) all other rights of any kind accruing thereunder or pertaining thereto throughout the world.

Notwithstanding the foregoing, none of the Trademark Collateral shall include any Excluded Asset (as defined in the Pledge and Security Agreement), including, for the avoidance of doubt, in no event shall the Trademark Collateral include, and no Grantor shall be deemed to have assigned, pledged or granted a security interest in, any of such Grantor's right, title or interest in any Trademark applications filed in the United States Patent and Trademark Office on the basis of Grantor's "intent-to-use" such trademark,

unless and until acceptable evidence of use of such Trademark has been filed with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. § 1051, et seq.), whereupon such Trademark application will be deemed automatically included in the Trademark Collateral, but solely to the extent that granting the security interest in such Trademark application prior to such filing would adversely affect the enforceability or validity of such Trademark application or any registration issuing therefrom.

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Pledge and Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

SECTION 4. Recordation. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.

SECTION 5. Governing Law and Jurisdiction. This agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the state of New York without regard to the conflicts of laws principles thereof that would require the application of Laws of another jurisdiction (other than any mandatory provisions of the UCC relating to the law governing perfection and the effect of perfection of the security interest).

EACH GRANTOR IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE COLLATERAL AGENT OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR THE TRANSACTIONS RELATING HERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT THE COLLATERAL AGENT MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

SECTION 6. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

SECTION 7. Releases. Upon the payment in full of all Secured Obligations (other than (x) obligations under Hedge Agreements not yet due and payable and (y) contingent indemnification obligations for which no claim has been made), and the cancellation or termination in full of the Commitments, the security interest granted hereby shall automatically terminate hereunder and of record and all rights to the Trademark Collateral shall revert to the Grantors and this Agreement shall terminate. Upon any such termination of this Agreement, Grantee shall, at the Grantors' expense, execute and deliver to the Grantors or otherwise authorize the filing of such documents as the Grantors shall reasonably request. Upon any disposition of Trademark Collateral permitted by the Credit Agreement and the other Loan Documents, the Liens granted herein shall be deemed to be automatically released and such Trademark Collateral shall automatically revert to the Grantors with no further action on the part of any Person.
