NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that pursuant to that certain Amended and Restated Intellectual Property Security Agreement dated as of March 30, 2018 (as amended, modified, extended, restated, renewed, replaced, or supplemented from time to time, the "Security Agreement") by and among the Borrowers party thereto and Webster Bank, N.A. as the administrative agent (in such capacity, the "Agent") for itself and the Secured Parties referenced therein, the undersigned Borrowers have granted a continuing security interest in and continuing lien upon the trademarks and trademark applications shown on Schedule 1 attached hereto to the Agent for the ratable benefit of the Secured Parties. Capitalized terms used but not otherwise defined herein shall have the same meanings herein as in the Security Agreement.

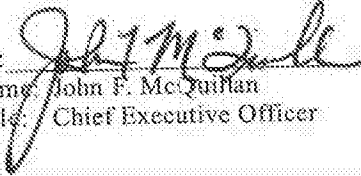

The undersigned Borrowers and Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the foregoing trademarks and trademark applications (a) may only be terminated in accordance with the terms of the Security Agreement and (b) is not to be construed as an assignment of any trademark or trademark application. This Notice of Grant of Security Interest in Trademarks (the "Notice") shall not grant or be deemed to grant any rights to any of the foregoing trademarks or trademark applications other than those expressly provided under the Security Agreement.

This Notice may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed signature page to this Notice by facsimile or electronic (including .pdf file) transmission shall be as effective as delivery of a manually signed counterpart of this Notice.
