Please amend the registration to: 1) reflect that the owner is a Delaware Corporation, and 2) to add "Inc." at the end of the name to appear as "Educational Services of America, Inc." There was a typo in identifying the application as a Tennessee Corporation when in fact it was a Delaware Corporation. There was no existing entity under the Tennessee Corporation at that time and it was merely a mistyped state at the time the application was filed. The applicant also inadvertently did not include "Inc." in the owner name. The owner name in the application is not a different legal entity.
