INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT (this “*Assignment*”), dated as of January 2, 2018, is entered into by and between Ventex Technology, LLC, a Texas limited liability company (the “*Assignor*”), and Principal Lighting Group, LLC, a Delaware limited liability company (the “*Assignee*”).

WHEREAS, under the terms of that certain Asset Purchase and Contribution Agreement, dated as of the date hereof (the “*Purchase Agreement*”), by and among the Assignor, the Assignee and certain other parties, the Assignor has agreed to sell, transfer, convey, assign, deliver and contribute to Assignee, among other assets, all intellectual property rights included in the Owned Intellectual Property transferred pursuant to the Purchase Agreement (the “*Transferred IP*”), including certain trademarks, patents, copyrights, service marks and domain names, and has agreed to execute and deliver this Assignment for recording or filing as proof of transfer of ownership with appropriate governmental or other authorities.

NOW THEREFORE, for the mutual premises and covenants herein and under the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. Definitions. Unless otherwise defined herein, capitalized terms used herein that are defined in the Purchase Agreement shall have the meanings ascribed to them in the Purchase Agreement.

2. Patent Assignment. Subject to the terms and conditions of the Purchase Agreement, the Assignor hereby transfers and assigns to the Assignee, free and clear of all Liens and in accordance with the terms of the Purchase Agreement, all of its rights in the patents and patent applications included in the Transferred IP (collectively, the “*Transferred Patents*”), including all inventions, patents and patent applications, all letters patent in all countries of the world and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations and renewals thereof, including without limitation the published patent applications and issued patents listed on Schedule A1 and the unpublished patent applications listed on Schedule A2, in each case, whether patented or unpatented, and whether or not reduced to practice, and the right to sue and collect damages for past infringement with respect to the foregoing.

3. Trademark Assignment. Subject to the terms and conditions of the Purchase Agreement, the Assignor hereby transfers and assigns Assignee, free and clear of all Liens and in accordance with the terms of the Purchase Agreement, all of its rights in the trademarks, service marks, trade dress, logos, slogans, brand names and trade names included in the Transferred IP (collectively, the “*Transferred Trademarks*”) and all registrations and registration applications relating thereto, including without limitation the registered trademarks listed on Schedule B, whether registered or unregistered, and the goodwill associated therewith, and the right to sue and collect damages for past infringement or dilution with respect to the foregoing.

4. Domain Name Assignment:

a. Subject to the terms and conditions of the Purchase Agreement, the Assignor hereby transfers and assigns to the Assignee, free and clear of all Liens and in accordance with the terms of the Purchase Agreement, all of its rights in the domain names included in the Transferred IP (the “*Transferred Domain Names*”) including without limitation the Transferred Domain Names listed in Schedule B, together with the goodwill associated therewith or symbolized thereby.

b. The Assignor shall submit to Assignee or the applicable domain name registrar used by such Assignor for the Transferred Domain Names any information required by each applicable domain name registrar for the Transferred Domain Names to (i) establish Assignee as the “Owner,” “Administrative Contact,” “Technical Contact” and “Billing Contact” for each such domain name and (ii) change the domain

name server information necessary to enable Assignee to exercise its rights in and to such Transferred Domain Names, including to release and transfer possession and control of the Domain Names to Assignee, and agrees to initiate or cooperate with all appropriate and necessary transfer actions and processes with such Assignor's current registrar and perform, follow or cooperate with Assignee on all procedures and actions specified by the registrar, and complete any documents or forms that may be required by the registrar, including, as necessary, executing documents or forms in the presence of an authorized notary public and delivering such documents or forms properly executed to the registrars, with copies to Assignee.

5. Copyright Assignment. Subject to the terms and conditions of the Purchase Agreement, the Assignor hereby transfers and assigns to Assignee, free and clear of all Liens and in accordance with the terms of the Purchase Agreement, all of its rights in the copyrights included in the Transferred IP (collectively, the "***Transferred Copyrights***") and all registrations and applications for registration relating thereto, including without limitation the copyrights listed on Schedule C, and all issuances, extensions and renewals thereof, including all works of expression, derivative works and moral rights related thereto, and the right to sue and collect damages for past infringement with respect to the foregoing.

6. Recordation. The Assignor consents to the recordation of this Assignment and agrees to, at the request of Assignee and at Assignee's expense, execute and deliver any further documents and legal instruments as may be necessary by any jurisdiction or foreign governmental entity, and do all other things reasonably necessary to perfect in Assignee, its assigns, successors and legal representatives, all right, title and interest in and to the Transferred IP, throughout the world, including without limitation, executing and delivering any and all powers of attorney, applications, assignments, declarations and affidavits.

7. Severability. It is the desire and intent of the parties hereto that the provisions of this Assignment will be enforced to the fullest extent permissible under the Laws in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Assignment will be determined to be invalid or unenforceable, such provision will be deemed amended to delete therefrom the portion thus determined to be invalid or unenforceable, such deletion to apply to the extent of such invalidity or unenforceability, without affecting in any way the remaining provisions herein only with respect to the operation of such provision in the particular jurisdiction in which such determination is made.

8. Purchase Agreement Governs. This Assignment is being executed and delivered pursuant and subject to the Purchase Agreement. The parties hereto hereby acknowledge and agree that nothing in this Assignment, express or implied, is intended to or shall be construed to enlarge, modify or alter in any way the terms of the Purchase Agreement. The representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. To the extent that any provision of this Assignment conflicts or is inconsistent with the terms of the Purchase Agreement, the terms of the Purchase Agreement shall govern and control.

9. Governing Law. This Assignment shall be governed by the law of the State of Delaware without reference to the choice of law doctrine of such state.

10. Jurisdiction. Each party irrevocably agrees that any proceeding against it arising out of or in connection with this Agreement or the transactions contemplated by this Agreement or disputes relating hereto (whether for breach of contract, tortious conduct or otherwise) shall be brought exclusively in any state court located within Rankin County in the State of Mississippi or any federal court located within the State of Delaware, and any state appellate court therefrom located within Rankin County in the State of Delaware (collectively, the "***Designated Courts***") and hereby irrevocably accepts and submits to the exclusive jurisdiction and venue of the Designated Courts in personam with respect to any such proceeding and waives to the fullest extent permitted by Law any objection that it may now or hereafter have that any such proceeding has been brought in an inconvenient forum.

11. Headings. The headings contained in this Assignment are for reference purposes only and shall not affect in any way the meaning and interpretation of this Assignment.

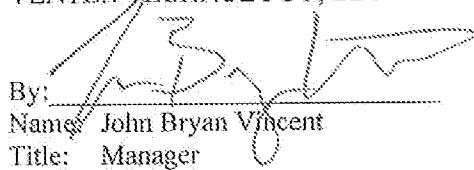

12. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed to be an original and all of which shall be deemed to constitute the same Assignment. If any signature is delivered by facsimile transmission or by PDF, such signature shall create a valid and binding obligation of the party executing (or on whose behalf the signature is executed) with the same force and effect as if such facsimile or PDF signature were an original thereof.
