## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this “**Agreement**”) is made as of this 3rd day of May, 2018, by MOSQUITO HUNTERS LLC, a Delaware limited liability company (“**Grantor**”), in favor of MADISON CAPITAL FUNDING, LLC, in its capacity as Agent for the Lenders (as defined in the Credit Agreement referenced below) (in such capacity, “**Grantee**”):

### W I T N E S S E T H

WHEREAS, Grantor is a Guarantor (as defined in the Credit Agreement described below) and has guaranteed the Obligations under and as defined in that certain Credit Agreement dated as of December 12, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”) by and among Lawn Doctor, Inc., a New Jersey corporation, as a Borrower, the other Borrowers and Loan Parties party thereto, the Borrower Representative, the financial institutions party thereto from time to time as Lenders and Grantee, pursuant to which Grantee and Lenders have agreed, subject to the terms and conditions thereof, to make certain loans to, and other credit accommodations in favor of, Borrowers (collectively, the “**Loans**”).

WHEREAS, pursuant to the terms of that certain Guarantee and Collateral Agreement dated as of December 12, 2014 among Grantee, Grantor and the other Loan Parties (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “**Guarantee and Collateral Agreement**”), Grantor has granted to Grantee, for its benefit and the benefit of Lenders, a security interest and lien upon substantially all assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Guarantee and Collateral Agreement including registrations and applications therefor), and all products and proceeds thereof, to secure the payment of all amounts owing by the Borrowers under the Credit Agreement.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Guarantee and Collateral Agreement Controls. If there is a conflict between the Guarantee and Collateral Agreement and this Agreement, the terms of the Guarantee and Collateral Agreement shall control.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Obligations (as defined in the Credit Agreement), Grantor hereby grants to Grantee, for its benefit and the benefit of Lenders, and hereby reaffirms its prior grant pursuant to the Guarantee and Collateral Agreement of, a continuing security interest in Grantor’s entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the “**Trademark Collateral**”), whether now owned or existing or hereafter created, acquired or arising:

(a) all of its Trademarks and all Intellectual Property Licenses providing for the grant by or to Grantor of any right under any Trademark, including, without limitation, those referred to on Schedule A hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

3. Intent-To-Use Trademarks. Notwithstanding the foregoing, and solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, the Trademark Collateral shall not include any intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, provided that upon such filing and acceptance, such intent-to-use applications shall be included in the Trademark Collateral and automatically subject to the security interest granted herein.

4. Governing Law. This Agreement is made under and governed by the laws of the State of New York without regard to conflicts of laws principles.

**- Remainder of Page Intentionally Left Blank; Signature Page Follows -**

IN WITNESS WHEREOF, Grantor has duly executed this Agreement as of the date first written above.
