RELEASE OF SECURITY INTEREST IN TRADEMARKS

This RELEASE OF SECURITY INTEREST IN TRADEMARKS (this "Release") is made this 15th day of May, 2018, by and between SENTINEL OFFENDER SERVICES, LLC, a Delaware limited liability company ("Grantor") and CAPITAL FINANCE OPPORTUNITIES 1801C, LLC, a Delaware limited liability company ("Successor Assignee"). The Grantor and Successor Assignee are each sometimes referred to herein individually as a "Party" and collectively as the "Parties."

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of April 27, 2012 (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement") by and between Sentinel Offender Services, LLC, a Delaware limited liability company ("Borrower") and Opus Bank, a California commercial bank ("Assignor"), Assignor made certain financial accommodations available to Borrower from time to time pursuant to the terms and conditions thereof;

WHEREAS, pursuant to the Credit Agreement, Borrower executed and delivered to Assignor that certain Security Agreement, dated as of April 27, 2012 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Borrower executed and delivered to Assignor that certain Trademark Security Agreement dated as of January 31, 2017 (the "Trademark Security Agreement") which was recorded with the United States Patent and Trademark Office on February 1, 2017 at Reel 005978/Frame 0633;

WHEREAS, pursuant to that certain Loan Purchase Agreement dated as of March 30, 2018 (the "Loan Purchase Agreement"), Assignor sold, assigned, transferred, set over, conveyed and endorsed to Successor Assignee, its successors and assigns, all of Assignor's obligations, right, title and interest in and to the Credit Agreement, Security Agreement, and Trademark Security Agreement;

WHEREAS, pursuant to the Loan Purchase Agreement, Assignor executed and delivered to Successor Assignee that certain Assignment of Grant of Security Interest in Trademarks dated as of April 9, 2018 ("Assignment of Trademark Security Interest") which was recorded with the United States Patent and Trademark Office on April 10, 2018 at Reel 006310/Frame 0001; and

WHEREAS, Grantor has requested that Successor Assignee release, and the Successor Assignee is willing to release, its lien on and its security interest in, and any other right, title, and interest it may have in, to and under the Released Trademark Collateral (defined below).

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Successor Assignee hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. RELEASE OF SECURITY INTEREST IN RELEASED TRADEMARK COLLATERAL. Successor Assignee does hereby terminate, release and discharge the entirety of any and all liens and security interests that it may have, and all claims, whether presently existing or hereafter acquired or created pursuant to the Security Agreement or Trademark Security Agreement, in all of Successor Assignee's right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the "Released Trademark Collateral"):

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by Successor Assignee against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

3. COUNTERPARTS. This Release may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Release. Delivery of an executed counterpart of this Release by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Release. Any Party delivering an executed counterpart of this Release by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Release but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Release.

4. RECORDATION. The Successor Assignee hereby (i) authorizes Grantor or Grantor's authorized representative to record this Release with the United States Patent and Trademark Office, and (ii) authorizes and requests that the United States Patent and Trademark Office note and record the existence of this Release hereby given.

[signature page follows]

IN WITNESS WHEREOF, the Parties hereto have caused this Release to be executed and delivered as of the day and year first above written.
