## INTELLECTUAL PROPERTY ASSIGNMENT

**Whereas**, PacSci Motion Control, Inc., a Massachusetts corporation having offices and its principal place of business at 1300 North State Street, Marengo, IL 60152, United States (hereinafter "Assignor"), has, either directly or through related entities and/or predecessors in interest, adopted and used in its business and is the owner intellectual property described below and for the other purposes set forth in this instrument.

**Whereas**, Kollmorgen Corporation, a New York corporation having offices and its principal place of business at 201 Rock Road, Radford VA 24141, United States (hereinafter "Assignee"), desires to acquire the entire right, title, and interest in and to the marks.

**Now Therefore**, for good and valuable consideration, receipt of which the Assignee acknowledges, and by signing and delivering this instrument, the Assignor hereby sells, assigns, transfers, conveys, and delivers to the Assignee and the Assignee accepts all of the Assignor's right, title, and interest in and to the following:

- a. The registered trademarks and applications for registration of trademarks specifically listed in Schedule A (collectively, the "Trademarks" and "Trademark") to this Assignment; and
  - i. All goodwill associated with the business related to the Trademarks together with all rights to use, license, and otherwise exploit the Trademarks;
  - ii. All income, royalties, damages, and payments hereafter due or payable to the Assignor with respect to the Trademarks, including without limitation unpaid damages and payments for past, present, and future infringements of any Trademark;
  - iii. All rights in and under the Trademarks to the fullest extent allowed by law as fully as the Assignor would have held the same in the absence of this Assignment; and
  - iv. All rights to sue and recover damages and payments for past, present, and future infringements, dilution, or other violation of any of the Trademarks, including the right to fully and entirely replace the Assignor in all related matters.
- b. All issued patents and applications for patents specifically listed in Schedule B (collectively, the "Patents") to this Assignment; and
  - i. Any parent patent applications, continuations, continuations-in-part, divisionals, country equivalents, or any other further application based in whole or in part on any of the Patents, and any patent rights relating thereto (including utility patents, design patents, utility models and inventors' certificates) whether in the United States or anywhere in the world;
  - ii. All rights to use, license, and otherwise exploit the Patents;

- iii. All income, royalties, damages, and payments hereunder due or payable to the Assignor with respect to the Patents, including without limitation unpaid damages and payments for past, present, and future infringements of any of the Patents;
  - iv. All rights in and under the Patents to the fullest extent allowed by law as fully as the Assignor would have held the same in the absence of this Assignment; and
  - v. All rights to sue and recover damages and payments for past, present, and future infringements or other violation of any of the Patents, including the right to fully and entirely replace the Assignor in all related matters.
- c. All trademarks, service marks, and trade dress not listed in Schedule A, all copyrights, original works of authorships, developments, concepts, improvements, designs, drawings, discoveries, formulas, trade secret rights, and inventions not listed in Schedule B, whether or not patentable or registrable under patent, copyright, or similar laws ("Other Property").
2. **Representations and Warranties.** Assignor represents and warrants to Assignee that: Assignor exclusively owns all right, title, and interest in and to the Trademarks, Patents, and Other Property; the Trademarks, Patents, and Other Property are free of any liens, encumbrances, security interests, and restrictions on transfer; to Assignor's knowledge, the Trademarks, Patents, and Other Property do not infringe the intellectual property rights of any third party; and there are no legal actions, investigations, claims, or proceedings pending or threatened relating to the Trademarks, Patents, and Other Property.
3. **Indemnification.** Assignor agrees to indemnify and hold Assignee harmless from and against any claims arising from breach or alleged breach of its representations, warranties, and obligations set forth herein.
4. **Further Assurances.** Assignor will take all action and execute all documents as Assignee may reasonably request to effectuate the transfer of the Trademarks, Patents, and Other Property and the vesting of complete and exclusive ownership of the property in Assignee.
5. **Binding on Successors.** This Assignment will inure to the benefit of, and be binding upon, the parties, together with their respective representatives, successors, and assigns.
6. **Governing Law and Jurisdiction.** This Assignment will be governed by, and construed in accordance with, the laws of the state of Washington without reference to its conflict of laws provisions. With respect to any dispute arising out of or related to this Assignment, the parties consent to the exclusive jurisdiction of, and venue in, the federal and state courts in Snohomish County, Washington.
7. **Amendment and Waiver.** This Assignment may not be amended or modified unless mutually agreed upon in writing by the parties and no waiver will be effective unless signed by the party from whom such waiver is sought. The waiver by any party of a breach of any provision of this Assignment will not operate or be construed as a waiver of any subsequent breach.

- 8. **Severability.** If any provision of this Assignment is held invalid by any court of competent jurisdiction, such invalidity will not affect the validity or operation of any other provision, and the invalid provision will be deemed severed from this Assignment.
- 9. **Entire Agreement.** This Assignment is the entire agreement concerning the subject matter hereof. It supersedes all prior and contemporaneous agreements, assurances, representations, and communications between the parties.

**IN WITNESS WHEREOF**, each of the parties has caused this Assignment to be executed by its duly authorized representatives on the respective dates entered below.
