This TRADEMARK SECURITY AGREEMENT (this “**Trademark Security Agreement**”) is entered into as of May 31, 2018, by and among VENCORE, INC. (“**Grantor**”) and MUG UNION BANK, N.A., in its capacity as collateral agent for the Secured Parties (in such capacity, the “**Collateral Agent**”).

WITNESSETH:

WHEREAS, Grantor is party to a Collateral Agreement, dated as of May 31, 2018 (as it may be from time to time amended, restated, amended and restated, replaced, supplemented and/or otherwise modified, the “**Collateral Agreement**”), in favor of the Collateral Agent pursuant to which Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement (as defined in the Collateral Agreement), Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Collateral Agreement and used herein have the meaning given to them in the Collateral Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Grantor hereby pledges, assigns and grants to the Collateral Agent, on behalf of and for the benefit of the Secured Parties, to secure the prompt and complete payment and performance of all Secured Obligations, a security interest in and to all of its right, title and interest in, to and under all the following Collateral owned by Grantor (collectively, the “**Trademark Collateral**”):

- (a) Trademarks owned by Grantor listed on Schedule I attached hereto;
- (b) all goodwill of the business symbolized by such Trademarks; and
- (c) all proceeds of any and all of the foregoing.

SECTION 3. Collateral Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Collateral Agreement, and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Collateral Agreement (and are expressly subject to the terms and conditions thereof). In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall control.

SECTION 4. Termination or Release.

(a) This Trademark Security Agreement shall terminate upon the termination of the Collateral Agreement in accordance with its terms.

(b) Grantor shall automatically be released from its obligations hereunder and the security interests created hereunder in the Trademark Collateral of Grantor shall be automatically released in the circumstances set forth in Section 9.08 of the Credit Agreement, including as a result of any

transaction permitted under the Credit Agreement pursuant to which Grantor ceases to be a Subsidiary of the Company.

(c) Upon any sale, transfer or other disposition by Grantor of any Trademark Collateral that is permitted under Section 4.1(d) of the Collateral Agreement to any Person that is not another Grantor thereunder, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Trademark Collateral as set forth in Section 9.08 of the Credit Agreement, the security interest in such Trademark Collateral shall be automatically released.

(d) The security interest in any Trademark Collateral shall be automatically released in any circumstance set forth in Section 9.08 of the Credit Agreement or upon any release of the Lien on such Trademark Collateral in accordance with Section 9.08 of the Credit Agreement.

(e) In connection with any termination or release pursuant to Section 4(a), (b), (c) or (d), the Collateral Agent shall promptly execute, acknowledge and deliver to Grantor, an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Trademark Security Agreement and shall perform such other actions reasonably requested by Grantor to effect such release.
