## MASTER ASSIGNMENT

THIS ASSIGNMENT (this "Assignment") is entered into as of Effective Date set forth on the signature page of this agreement, by and between Deepwater Marine Technology, LLC, a Cayman Islands Limited Liability Company (the "Assignor"), Keppel SLP LLC, a Delaware corporation<sup>2</sup>, a Delaware corporation ("Assignee") and J. Ray McDermott Solutions, Inc., a Delaware corporation ("JRMSI")

### RECITALS

WHEREAS, Assignor desires to sell, transfer, convey, assign and deliver to Assignee, and Assignee desires to receive, all of the patents, patents applications, trademark and copyright registrations attached as Exhibit A ("Intellectual Property") owned by Assignor in existence at any time prior to or on the Effective Date upon the terms and conditions set forth herein,

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration (including the obligations agreed to and the amounts payable by the Assignee's parent company Keppel Offshore & Marine USA, Inc, under the certain agreement dated 21 February 2017 between FloaTEC, LLC, J. Ray McDermott Solutions, Inc. and Keppel Offshore & Marine USA, Inc.), the receipt and sufficiency of which are hereby acknowledged by the Assignor, the parties hereto agree as follows:

1. Assignment. Assignor, by this Assignment, does hereby sell, transfer, convey, assign and deliver to Assignee all of Assignor's right, title and interest in and to the Patents, Patent Applications, Trademark and Copyright Registrations (the "Intellectual Property") listed in Exhibit A, and owned by Assignor, and all of Assignor's rights, claims and privileges pertaining to any such Intellectual Property in existence at any time prior to or on the Effective Date, including immediately prior to any dissolution or merger of the FloaTEC, LLC.

2. Further Assurances. From time to time following the date hereof, Assignor shall execute, acknowledge and deliver all such further conveyances, notices, assumptions, releases and acquittances and such other instruments (including short-form assignments for recordation with the appropriate Governmental Authorities) to Assignee and shall provide such reasonable cooperation to Assignee as may be reasonably necessary or appropriate to cause to be conveyed to Assignee and its successors or assigns all of the rights, titles and interests intended to be conveyed to Assignee under this Assignment and shall take such further actions to otherwise make effective the transactions contemplated hereby.

<sup>1</sup> For purposes of this Agreement, any IP rights summarized herein off/for the benefit of Assignor that may be in the name of or require the approval/consent of JRMSI, shall be considered to be included in this IP Assignment.

<sup>2</sup> Keppel SLP LLC is the KOM USA Affiliate that will hold the IP to be transferred from DWMT.

3. General. Subject to the following sentence, this Assignment supersedes and replaces any other terms and conditions agreed upon by the parties or any affiliates or predecessors of the parties related to the ownership of Intellectual Property. If any provision of this Assignment is, for any reason, held to be invalid or unenforceable, the other provisions of this Assignment will be unimpaired and the invalid or unenforceable provision will be deemed modified so that it is valid and enforceable to the maximum extent permitted by law. This Assignment may be amended or supplemented in any and all respects by written agreement of the parties hereto. No failure or delay by Assignor or Assignee in exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right hereunder. Any agreement on the part of a party hereto to any waiver shall be valid only if set forth in an instrument in writing signed by both parties. This Assignment shall be binding upon Assignor, Assignee and their respective successors and assigns, if any. This Assignment shall inure to the benefit of Assignor, Assignee and their respective successors and assigns, if any. Subsequent to the execution of this Agreement and transfer of Intellectual Property rights from Assignor to Assignee as set forth herein, Assignee may freely assign this Assignment and its rights hereunder, without consent from Assignor. This Assignment may be executed in counterparts (each of which shall be deemed to be an original but all of which taken together shall constitute one (1) and the same agreement) and shall become effective when one (1) or more counterparts have been signed by each of the parties hereto and delivered to the other party hereto.

4. Interpretation. When a reference is made in this Assignment to a section, such reference shall be to a section of this Assignment unless otherwise indicated. The division of this Assignment into sections and other subdivisions and the insertion of headings are for reference purposes only and shall not affect in any way the meaning or interpretation of this Assignment. The word "including" or any variation thereof means "including, without limitation" and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it. The use of "or" will not be deemed to be exclusive. Each party has had the opportunity to review this Assignment with legal counsel. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party will not be applied in the construction or interpretation of this Assignment.

5. Governing Law. This Assignment, and all matters arising out of or relating to this Assignment, will be governed by the laws of the State of Delaware, without regard to conflict of laws principles or any choice or rule (whether of the State of Delaware or any other jurisdiction) that would result in the application of laws of any jurisdiction other than the State of Delaware. Each of the parties to this Assignment hereby irrevocably and unconditionally submits, for itself and its assets and properties, to the exclusive jurisdiction of the Court of Chancery of the State of Delaware sitting in New Castle County, or Federal court of the United States of America, sitting within New Castle County in the State of Delaware, and any respective appellate court, in any action or proceeding arising out of or relating to this Assignment, the Assignments delivered in connection with this Assignment, or the transactions contemplated hereby or thereby, or for recognition or enforcement of any judgment relating thereto, and each of the parties to this Assignment hereby irrevocably and unconditionally (a) agrees not to commence any such action or proceeding except in such courts; (b) agrees that any claim in respect of any such action or proceeding may be heard and determined in such Court of Chancery or, to the extent permitted by applicable law, in such Federal court; (c) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any such action

or proceeding in any such court; and (d) waives, to the fullest extent permitted by applicable law, the defense of lack of personal jurisdiction or an inconvenient forum to the maintenance of such action or proceeding in any such court. Each of the parties to this Assignment hereby agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law. Nothing in this Assignment shall affect the right of any party to this Assignment to serve process in any other manner permitted by applicable law. None of the provisions of this Assignment is intended to provide any rights or remedies to any person or entity other than the parties to this Assignment (and their respective successors and permitted assigns, if any).
