NOTICE  
OF  
GRANT OF SECURITY INTEREST  
IN  
TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that pursuant to the Pledge and Security Agreement dated as of April 13, 2018 (as the same may be amended, modified, extended or restated from time to time, the "Agreement") by and among the Obligors party thereto (each an "Obligor" and collectively, the "Obligors") and Regions Bank, as collateral agent (the "Collateral Agent") for the holders of the Obligations referenced therein, the undersigned Obligor has granted a continuing security interest in, and a right to set off against, any and all right, title and interest of such Obligor in and to the trademarks and trademark applications set forth on Schedule 1 hereto (other than, for clarity, any intent-to-use United States trademark application for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, but only to the extent that, and solely during the period in which, the grant, attachment or perfection of a security interest in intent-to-use United States trademark applications would impair the validity or enforceability, or result in the voiding, of such intent-to-use trademark applications or any registration issuing therefrom under Applicable Law) to the Collateral Agent for the ratable benefit of the holders of the Obligations.

The undersigned Obligor and the Collateral Agent, on behalf of the holders of the Obligations, hereby acknowledge and agree that the security interest in the foregoing trademarks and trademark applications (i) may only be terminated in accordance with the terms of the Agreement and (ii) is not to be construed as an assignment of any trademark or trademark application.

Very truly yours,

**SCA PERFORMANCE, INC.,**  
a Delaware corporation
