W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have been deemed to make Term Loans and other extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Obligors have executed and delivered that certain Guarantee and Collateral Agreement, dated as of June 4, 2018, in favor of the Agent (together with all amendments restatements, supplements and modifications, if any, from time to time thereafter made thereto, the "Guarantee and Collateral Agreement") as Grantors thereunder;

WHEREAS, the Obligors have duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Agent and the Lenders to enter into the Credit Agreement, the Obligors agree, for the benefit of the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement, as applicable.

SECTION 2. Grant of Security Interest. Each of the Obligors hereby pledges and grants a continuing security interest in, and a right of setoff against, all of such Obligor's right, title and interest in, to and under such Obligor's Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Agent for the benefit of the Secured Parties to secure payment, performance and observance of the Obligations; provided, that the Collateral shall not include any Trademark application filed in the United States Patent and Trademark Office (the "PTO") on the basis of such Grantor's "intent-to-use" such trademark, unless and until acceptable evidence of use of the Trademark has been filed with and accepted by the PTO pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. §§ 1051, et seq.), to the extent that granting a security interest or other lien in such Trademark application prior to such filing would adversely affect the enforceability or validity of or void such Trademark application.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Obligors for the purpose of recording the grant of security interest herein with the PTO. The Obligors hereby request and authorize the PTO to record this Agreement against the Collateral. The security interest granted hereby has been granted to the Agent for the benefit of the Secured Parties in connection with the Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Obligors do hereby further acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Termination. Upon the payment in full of the Term Loans and other Obligations and termination of the Guarantee and Collateral Agreement in accordance with Section 8.15 thereof, this Agreement shall terminate and, at the request and sole expense of the Obligors following any such termination, the Agent shall execute and deliver to the Obligors such documents as the Obligors shall reasonably request to evidence such termination.

SECTION 6. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. Delivery of an executed counterpart of a signature page of this Agreement by facsimile transmission or other electronic transmission shall be as effective as delivery of a manually executed counterpart of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
