Declaration of Assignee

On February 10, 1997, an Assignment was recorded with the United States Patent and Trademark Office at Reel/Frame 1555/0235 conveying the interest in U.S. Trademark Registration No. 1458037 (the "Registration") from RADIOMETER A/S ("Assignor") to RADIOMETER ANALYTICAL ("Assignee").

The Assignment Document and the Trademark Assignment Cover Sheet recorded on February 10, 1997 both contain a typographical error, incorrectly identifying the Assignee as RADIOMETER ANALYTICAL S.A., rather than RADIOMETER ANALYTICAL. The acronym "S.A." merely identifies the legal form of the Assignee, but is not part of the Assignee's legal name. The correct owner's name on February 10, 1997 was RADIOMETER ANALYTICAL.

As required under TMEP Section 503.06(b), Assignee is submitting a Corrective Assignment properly setting forth the Assignee's name in both the Assignment Document and Trademark Assignment Cover Sheet, along with this Declaration. The undersigned kindly requests that the USPTO records be updated to reflect the Corrective Assignment included herein.

On March 12, 2002, RADIOMETER ANALYTICAL converted from a Société Anonyme to a Société par Actions Simplifiée. On March 8, 2012, RADIOMETER ANALYTICAL changed its name to HACH LANGE SENSORS. Assignment documents will be filed with the USPTO for these subsequent changes in order to properly update the chain of title for the Registration; however, we make mention of these changes to identify the signatory of this Declaration.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.
