ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY (this "Assignment") is made and entered into as of December 30, 2015 (the "Effective Date") by and between FBM Gypsum Supply of Illinois LLC, a Delaware limited liability company (the "Assignee"), and Gypsum Supply Co., an Illinois corporation (the "Assignor").

RECITALS

A. Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated November 20, 2015 (the "Purchase Agreement"), between Assignor, Assignee, solely for purposes of Sections 5.3 and 5.16 thereof, the Bankers Trust Company of South Dakota, and, solely for purposes of Section 5.17 thereto, Foundation Building Materials, LLC, a California limited liability company.

B. In connection with the Purchase Agreement, the parties to the Purchase Agreement desire that Assignor transfer to Assignee all of the right, title and interest of Assignor in and to the trademarks (together with all goodwill associated therewith and symbolized thereby) set forth on Attachment A attached hereto (the "Assigned IP").

C. Assignee wishes to acquire all of Assignor's right, title and interest in and to the Assigned IP, and Assignor wishes to assign such right, title and interest in and to such Assigned IP to Assignee.

AGREEMENT

In consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, the parties agree as follows:

1. Transfer of Assigned IP. Assignor does hereby grant, bargain, sell, transfer, convey, assign, alienate, release and deliver to Assignee and its successors and assigns, and Assignee does hereby accept, all of Assignor's right, title and interest in and to the Assigned IP together with all causes of action and enforcement rights, whether currently pending, filed, or otherwise, for the Assigned IP, including all rights to damages, injunctive relief and other remedies for past, current and future infringement of the Assigned IP.

2. Further Assurances. Assignor covenants and agrees that, at any time and from time to time upon the request of Assignee, Assignor shall provide any further necessary documentation and do all further acts reasonably requested by Assignee to confirm and perfect title in and to the Assigned IP in Assignee, its successors and assigns.

3. Entire Agreement. This Assignment, and the Purchase Agreement, reflect the entire understanding of the parties hereto relating to the sale, assignment, transfer, conveyance and delivery of the Assigned IP from Assignor to Assignee, and supersede all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings between the parties hereto and thereto with respect to the subject matter hereof and thereof. Notwithstanding any oral agreement or course of conduct of the parties or their Representatives

(as defined in the Purchase Agreement) to the contrary, no party to this Assignment shall be under any legal obligation to enter into or complete the transactions contemplated hereby unless and until this Assignment shall have been executed and delivered by each of the parties hereto.

4. Successors and Assigns. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

5. Governing Law. This Assignment and all disputes or controversies arising out of or relating to this Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware. Further, any and all disputes hereunder shall be governed by Section 9.9 of the Purchase Agreement.

6. Counterparts. This Assignment may be executed in two counterparts, both of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party.

Remainder of page intentionally left blank

IN WITNESS WHEREOF, the Assignee and the Assignor have caused this Assignment to be executed as of the date first written above by their respective officers thereunto duly authorized.
