Trademark Assignment

This Assignment ("**Assignment**") is made as of November 1, 2011 (the "**Effective Date**"), by El Farolito, LLC ("**Assignor**") to General Assembly, Inc. having a principal place of business at 902 Broadway, 4th Floor, New York, NY 10010 ("**Assignee**").

Assignor owns the following United States Trademarks ("**Trademarks**"):

Application Number	Registration Number	Trademark
85098700	403950	GENERAL ASSEMBLY
85098693		

Assignor in accordance with its previous agreement to transfer to Assignee all its right, title and interest in the Trademarks and for good and valuable consideration, receipt and sufficiency of which Assignor specifically acknowledges:

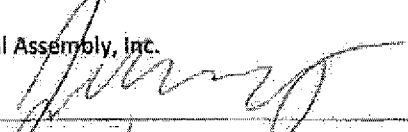

Assignor grants, conveys, transfers, and assigns to Assignee, for and throughout the world, Assignor's right, title and interest (legal, equitable, use and otherwise) in and to any and all: (i) right to file and register the Trademarks in Assignee's name with any governmental authority; (ii) rights to record the transfers made under this Assignment in the United States Patent and Trademark Office and in any other public offices of any governmental authorities throughout the world; (iii) right to sue for, collect and retain damages predicated on present or future infringements of the preceding, as well as all other claims and rights to damages associated with the preceding, whether predicated on past, present or future actions or omissions, and whether or not currently known or unknown; and (iv) all goodwill associated with the Trademarks.

Assignor's assignment of the Trademarks to Assignee under this Assignment constitutes a complete, absolute, and exclusive transfer of all rights (legal, equitable, use and otherwise) in the Trademarks, whether currently existing or arising or recognized in the future. Assignor does not reserve or retain any right, title, or interest in the Trademarks. Assignor acknowledges and agrees that the Trademarks constitute the sole and exclusive property of Assignee.

Assignor represents and warrants that it has full power and authority: (i) to enter into this Assignment; (ii) to grant to Assignee all rights in and to the Trademarks as such rights exist for the Assignor; and (iii) to perform all of its obligations under this Assignment.

This Assignment shall be binding upon and inure to the benefit of Assignee, its successors and assigns of Assignor and its permitted successors. This Assignment supersedes any prior understandings, written agreements, or oral arrangements among the parties which concerns the subject matter of this Assignment. No alteration or modification of any of this Assignment's provisions shall be valid unless made in a written instrument which both parties sign.

DECLARATION for Corrected Assignment due to Assignee's Error

The above-identified entity hereby states that the Recorded assignment for the above-captioned trademark, which was recorded with the US Trademark Office on December 5, 2011 at Reel/Frame 4671/0923 contained an error which occurred in good faith and through no fault of the Assignee, and therefore Assignee requests a correction to the recorded document.

While the original assignment and the recorded documents identified General Assembly, Inc. as the owner of the assets, the true owner of the trademarks should have been identified as "General Assembly Space, Inc., a Delaware company, d/b/a General Assembly".

To the best of our knowledge, there is not now and never has been a New York company (as noted in the assignment recordation) named General Assembly, Inc. to which these assets have been assigned or owned.

A copy of the original recorded documents are enclosed.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statement may jeopardize the validity of this document, declare that he or she is properly authorized to execute this document on behalf of the owner, and all statements made of her own knowledge are true and that all statements made on information and belief are believed to be true.
