W I T N E S S E T H:

WHEREAS, the Grantors are together with each such other Person as may be joined thereto as the Borrowers under the Amended and Restated Loan and Security Agreement dated as of even date herewith (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Loan Agreement”) between the Borrowers and the Lender;

WHEREAS, pursuant to the Loan Agreement, each Grantor pledged and granted to the Lender for the benefit of the Secured Parties a continuing security interest in all Intellectual Property, including the Trademarks (as defined below); and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lender to enter into the Loan Agreement and to induce the Lender to make their respective extensions of credit to the Borrowers thereunder, each Grantor agrees, for the benefit of the Lender and the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Loan Agreement.

As used herein “Trademarks” shall mean all of each Grantor’s (or if referring to another Person, such other Person’s) now existing or hereafter acquired right, title, and interest in and to: (i) all of such Grantor’s (or if referring to another Person, such other Person’s) trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country, and all research and development and goodwill of the business relating thereto; (ii) all renewals thereof; and (iii) all designs and general intangibles of a like nature.

SECTION 2. Grant of Security Interest. Each Grantor hereby pledges and grants a continuing security interest in, and a right of setoff against, all of such Grantor’s right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on

SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Loan Agreement, the terms of the Loan Agreement shall govern.
