TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of July 3, 2018, by the Grantor listed on the signature pages hereof (the “**Grantor**”), in favor of GLAS Trust Corporation Limited, in its capacity as security trustee for the benefit of the Secured Parties (as defined in the Security Agreement (as hereinafter defined)), as secured party (in such capacity and together with any successors in such capacity, the “**Security Agent**”).

RECITALS

The Parent, BH Group Bidco Limited as the Original Borrower, the companies listed therein as Original Guarantors, the Security Agent, each of the Finance Parties and others have entered into that certain Facilities Agreement dated April 3, 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Facilities Agreement**”).

The Grantor has, pursuant to the Facilities Agreement, irrevocably and unconditionally guaranteed the payment and performance of the Secured Obligations (as defined in the Security Agreement).

It is a condition to (i) the obligations of the Lenders to make loans under the Facilities Agreement and (ii) the performance of the obligations of the Hedge Counterparties under the Hedging Agreements that the Grantor execute and deliver, as applicable, the Finance Documents, including that certain Security Agreement, dated as of July 2, 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among the Grantor, the other grantors named therein from time to time, and the Security Agent.

Pursuant to the Security Agreement, the Grantor is required to execute and deliver to the Security Agent, for itself and for the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein have the meanings given to them in (or incorporated by reference in) the Security Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** To secure the payment and performance in full of all the Secured Obligations, whether now existing or arising hereafter, the Grantor hereby grants to the Security Agent, on behalf of itself and the Secured Parties, a continuing security interest in and Lien on all right, title and interest of such Grantor in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

- (a) all of the Trademarks and Intellectual Property Licenses of Trademarks to which it is a party, including, but not limited to, those expressly listed on Schedule I attached hereto;
- (b) all renewals of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, the foregoing; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of the foregoing or (ii) injury to the goodwill associated with the foregoing.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Security Agent, on behalf of itself and the Secured Parties, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Security Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

4. AUTHORIZATION TO SUPPLEMENT. If the Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantor hereby authorizes the Security Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of the Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Security Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

5. COUNTERPARTS. This Trademark Security Agreement may be executed in counterparts and by different Parties on different counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. Delivery of an executed signature page to this Trademark Security Agreement by facsimile or electronic mail transmission shall be as effective as delivery of a manually signed counterpart of this Trademark Security Agreement.

6. EFFECTIVENESS. This Trademark Security Agreement shall become effective as to the Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Security Agent and a counterpart hereof shall have been executed on behalf of the Security Agent. This Trademark Security Agreement shall remain in full force and effect, subject to release and/or termination as set forth herein or in the other Finance Documents.

7. ACKNOWLEDGEMENT AND CONSENT TO BAIL-IN OF EEA FINANCIAL INSTITUTIONS

Notwithstanding anything to the contrary in any Finance Document or in any other agreement, arrangement or understanding among any of the parties thereto, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Finance Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-in Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;

- (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Joinder Agreement or any other Finance Document; or
- (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

In this Section 7, the following terms have the meanings given to them below:
