This ASSIGNMENT AND ASSUMPTION AGREEMENT (the "Agreement") is made as of April 4, 2018, by CLOYES GEAR AND PRODUCTS, INC., an Ohio corporation ("Seller"), unto and in favor of HH-CLOYES, INC., a Delaware corporation ("Buyer").

### RECITALS

A. This Agreement is made pursuant to the Asset Purchase Agreement, dated April 4, 2018, between Buyer and Seller (the "Asset Purchase Agreement"). Each capitalized term used but not defined in this Agreement has the meaning ascribed to such term in the Asset Purchase Agreement.

B. Pursuant to the Asset Purchase Agreement, Seller has agreed to sell, transfer, assign, convey, and deliver to Buyer, and Buyer has agreed to purchase and acquire from Seller, all of Seller's right, title and interest in and to the Purchased Assets.

C. Pursuant to the Asset Purchase Agreement, Seller has agreed to assign to Buyer, and Buyer has agreed to assume, the Assumed Liabilities.

### AGREEMENT

NOW, THEREFORE, in consideration of the premises and transfer of properties as aforesaid, the parties agree as follows:

1. Transfer of Assets. Seller hereby sells, transfers, assigns, conveys, and delivers to Buyer, and Buyer hereby accepts from Seller, effective as of the Closing Date, all of Seller's right, title and interest in and to the Purchased Assets, to have and to hold the Purchased Assets unto Buyer, its successors and assigns, forever.

2. Assignment and Assumption. Seller hereby assigns, transfers, and sets over to Buyer, effective as of the Closing Date, all of Seller's right, title, benefit, privilege and interest in and to, and all of Seller's burdens, obligations, and liabilities in connection with, each of the Assumed Liabilities. Buyer hereby accepts such assignment and assumes and agrees to pay, perform and discharge, effective as of the Closing Date, all of Seller's duties and obligations under the Assumed Liabilities that are to be paid, performed, and discharged from and after the Closing Date. Except with respect to the liabilities and obligations expressly set forth and included within the Assumed Liabilities, Buyer does not, and will not, assume or agree to assume, and will not accept or take over, any other liabilities and obligations of Seller of any nature, direct, contingent or otherwise. Buyer assumes no Excluded Liabilities, and the parties agree that all such Excluded Liabilities remain the sole responsibility of Seller.

3. Terms of the Asset Purchase Agreement. The terms of the Asset Purchase Agreement, including but not limited to Seller's representations, warranties, covenants, and agreements relating to the Purchased Assets and Assumed Liabilities, are incorporated herein by this reference. In the event of any conflict or inconsistency between the terms of the Asset

Purchase Agreement and the terms of this Agreement, the terms of the Asset Purchase Agreement will govern.

4. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

5. Miscellaneous. This Agreement shall be binding upon, inure to the benefit of and be enforceable by, Buyer and Seller and their respective permitted successors and assigns. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
