PRELIMINARY STATEMENTS

A. The Assignor owns any and all rights in and to certain trademarks and/or service marks identified in Schedule A and the registrations therefor shown in the said Schedule A (the "Trademarks"); and

B. The Assignee wishes to acquire from the Assignor, and the Assignor wishes to assign to the Assignee, all of the Assignor's rights, title, and interest in and to the Trademarks, and the good will associated therewith.

C. The Parties, intending to be legally bound, agree as follows:

AGREEMENT

1. **Assignment of the Trademarks.** For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby assigns, transfers and conveys to the Assignee all rights, title and interest in and to the Trademarks, together with all of the goodwill of the business symbolized by the Trademarks, and together with all rights to recover for damages and profits and all other rights and remedies for infringement of the Trademarks, whether past, present or future infringement. The Trademarks are being assigned as part of Assignor's business or portion thereof to which the Trademarks pertain, as required by Section 10 of the Trademark Act, 15 U.S.C. § 1060. As of the Effective Date, the Assignee shall own, and be the sole owner of, all of the rights, title and interest in and to the Trademarks.

2. **Further Assurance.** The Assignor from time to time hereafter and without further consideration, upon reasonable request of the Assignee, covenants and agrees to execute and deliver all such other and additional instruments and other documents, and to take all other actions, as may be reasonably necessary to more effectively grant, convey, and assign all of the Assignor's rights, title and interest in and to the Trademarks to the Assignee and facilitate the recognition of the transferred ownership of such rights, title and interest in the Assignee by all third parties and applicable governmental agencies and authorities.

3. **Entire Agreement; Modification; Waiver.** This Assignment constitutes a complete and exclusive statement of the terms of the assignment and agreement between the Parties with respect to its subject matter. This Assignment may not be amended except by a written document executed by the Parties. A waiver of any term, condition or provision in this Assignment by either Party shall be valid only if given in writing and only in the instance for which given and shall not be deemed continuing; further, any such waiver shall not be construed as a waiver of any other provision of this Assignment. Failure to exercise or assert any right or remedy shall not constitute a waiver of such right or remedy or of the same right or remedy in another case or of any other right or remedy.

4. **Severability.** If a court of competent jurisdiction holds any provision of this Assignment invalid or unenforceable, the other provisions of this Assignment will remain in full force and effect. Any provision of this Assignment held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.
