## INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement"), dated as of July, 6<sup>th</sup>, 2018, is entered into by Brookstone Company, Inc., a New Hampshire corporation ("Borrower"), Brookstone Purchasing, Inc., a New Hampshire corporation, and Big Blue Audio LLC, a New Hampshire limited liability company (collectively hereafter "Guarantor", and with "Borrower", "Obligor"), and Sanpower (Hong Kong) Company Limited, a Chinese corporation (the "Lender").

### RECITALS

A. The Borrower has entered into multiple Secured Subordinated Promissory Notes (as amended, restated, supplemented or otherwise modified from time to time, the "Promissory Notes") pursuant to which the Lender has agreed to make loans to Borrower and pursuant to which certain obligations owed to the Lender are secured.

B. Guarantor has agreed to guaranty the obligations of Borrower under the Promissory Notes, pursuant to that certain Guaranty, dated as of June 29, 2018 (the "Guaranty").

C. Obligor desires to grant to the Lender a security interest in the Collateral, including all right, title and interest of the Obligor in, to and under all now owned and hereafter acquired intellectual property, including material patents, patent applications, patent licenses, trademark registrations, trademark applications, trademark licenses, copyright registrations and copyright applications, and all products and proceeds thereof, to secure the payment of all amounts owing by the Obligor under the Promissory Notes.

In consideration of the mutual agreements set forth herein and in the Promissory Notes and the Guaranty, and to secure the payment and performance of the Obligor, the Obligor does hereby grant to the Lender a continuing security interest in all of Obligor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

- (1) each material trademark registration and trademark application, including, without limitation, each trademark registration and trademark application referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (2) each material trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith;
- (3) all products and proceeds of the foregoing, including, without limitation, any claim by the Obligor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark

licensed under any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the "Trademark Collateral");

- (4) each material patent and patent application, including, without limitation, each patent and patent application referred to in Schedule 2 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (5) each material patent license, including, without limitation, each patent license listed on Schedule 2 annexed hereto, together with all goodwill associated therewith;
- (6) all products and proceeds of the foregoing, including, without limitation, any claim by the Obligor against third parties for past, present or future infringement of any patent, including, without limitation, any patent referred to in Schedule 2 annexed hereto, any patent issued pursuant to a patent application referred to in Schedule 2 and any patent licensed under any patent license listed on Schedule 2 annexed hereto (items 4 through 6 being herein collectively referred to as the "Patent Collateral");
- (7) each material copyright and copyright application, including, without limitation, each registered copyright and copyright application referred to in Schedule 3 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (8) each material copyright license, including, without limitation, each copyright license listed on Schedule 3 annexed hereto, together with all goodwill associated therewith;
- (9) all products and proceeds of the foregoing, including, without limitation, any claim by the Obligor against third parties for past, present or future infringement of any copyright, including, without limitation, any registered copyright referred to in Schedule 3 annexed hereto, any copyright issued pursuant to a copyright application referred to in Schedule 3 and any copyright licensed under any copyright license listed on Schedule 3 annexed hereto (items 7 through 9 being herein collectively referred to as the "Copyright Collateral").

Notwithstanding anything herein to the contrary, the term "Trademark Collateral" shall not include any intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively or, if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, provided that upon such filing and acceptance, such intent-to-use applications shall be included in the definition of Trademark Collateral.

This security interest is granted in conjunction with the security interests granted to the Lender pursuant to the Promissory Notes and subject to limitations set forth therein. The Obligor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral, Patent Collateral and Copyright Collateral made and granted hereby are more fully set forth in the Promissory Notes, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Promissory Notes.
