First Lien Trademark Security Agreement

First Lien Trademark Security Agreement, dated as of July 10, 2018, by API Healthcare Corporation, a Wisconsin corporation, Concerro, Inc., a California corporation, Fayola Sunrise LLC, a Delaware limited liability company and Ventura Rainbow LLC, a Delaware limited liability company (individually, a "Pledgor", and, collectively, the "Pledgors"), in favor of GOLDMAN SACHS BANK USA, in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, the "Collateral Agent").

WITNESSETH:

WHEREAS, the Pledgors are party to a First Lien Security Agreement of even date herewith (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") in favor of the Collateral Agent pursuant to which the Pledgors are required to execute and deliver this First Lien Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Pledgors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of all the Secured Obligations, each Pledgor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a lien on and security interest in all of the right, title and interest of such Pledgor in, to and under the following Pledged Collateral of such Pledgor (collectively, "Trademark Collateral"):

- (a) Trademarks of such Pledgor, including those listed on Schedule I attached hereto; and
- (b) all Proceeds of any and all of the foregoing; in each case of the foregoing clauses (a) and (b), other than Excluded Property.

SECTION 3. Security Agreement. The security interest granted pursuant to this First Lien Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this First Lien Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the payment in full of the Secured Obligations and termination of the Security Agreement, the Collateral Agent shall execute, acknowledge, and deliver to the Pledgors an instrument in writing in recordable form releasing the collateral

pledge, grant, assignment, lien and security interest in the Trademark Collateral under this First Lien Trademark Security Agreement.

SECTION 5. Counterparts. This First Lien Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this First Lien Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law. This First Lien Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this First Lien Trademark Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

[signature page follows]

IN WITNESS WHEREOF, each Pledgor has caused this First Lien Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
