CONFIRMATORY TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is by and between LIFEGLOBAL GROUP, LLC, f/k/a/ LIFEGLOBAL, LLC of 393 SOUNDVIEW RD, GUILFORD, CT, 06437, a corporation of the State of Connecticut until October 3, 2013 (hereinafter referred to as "Assignor"), and IVFONLINE.COM, LLC, now known as LIFEGLOBAL GROUP, LLC, of 393 SOUNDVIEW RD., GUILFORD, CT, 06437, a corporation of the State of Connecticut (hereinafter referred to as "Assignee").

WHEREAS, Assignor had adopted and used and was the owner of all right, title and interest in and to the trademarks and the corresponding registrations and/or applications for registration set forth on Exhibit 1 (collectively, the "Trademarks"), together with the goodwill of the business connected with and symbolized by the Trademarks; and

WHEREAS, Assignee was and is desirous of acquiring all right, title and interest in and to the Trademarks;

WHEREAS, Assignee is a successor to the ongoing and existing business of Assignor to which the Trademarks pertain and acquired all rights, title and interest in and to the Trademarks, and all of the business and goodwill represented and symbolized by said Trademarks pursuant to a resolution of the members of Assignor, and desires now to record in the United States Patent and Trademark Office its said acquisition and ownership of the Trademarks.

NOW, THEREFORE, for one dollar (\$1.00) and other good and valuable consideration, the receipt and adequacy of which are acknowledged, effective as of October 3, 2013, the parties hereby agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys, and confirms its prior intent to sell, assign, transfer and convey and/or prior sale, assignment, transfer and conveyance, to Assignee the entire right, title, interest in and to the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth on Exhibit 1 to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks.

Assignor acknowledges that the Assignee is the exclusive owner of the Trademarks and the goodwill it represents and agrees to refrain from using any confusingly similar mark on similar goods and services in the future.

This Trademark Assignment Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, the parties hereto have executed this Trademark Assignment Agreement as of the date first below written.
