INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of July 3, 2018, is made by **Thermal Windows & Doors, LLC**, a Pennsylvania limited liability company ("Borrower"), having a notice address at 3700 Haney Court, Murrysville, PA 15668, in favor of **Accord Financial, Inc.**, a Delaware corporation, its successors and assigns ("Accord"), at 25 Woods Lake Road, Suite 25, Greenville, South Carolina 29607.

WHEREAS, pursuant to a Master Purchase and Sale Agreement dated as of even date herewith (the "MPSA"), the Revolving Note and Financing Agreement dated as of even date herewith (the "Revolving Note") and the Term Loan Note and Security Agreement dated as of even date herewith (the "Term Loan Note"), together with the MPSA and the Revolving Note, the "Notes"), Borrower granted to Accord a security interest in and lien upon all of Borrower's right, title and interest in Collateral including but not limited to General Intangibles (as defined in the Uniform Commercial Code of South Carolina (the "UCC"));

WHEREAS, on or about September 30, 2015, Borrower acquired substantially all of the assets of Thermal Industries, Inc., and in connection therewith, acquired the intellectual property of Thermal Industries, Inc., including, without limitation, the intellectual property listed on Exhibit A to this agreement; and

WHEREAS, pursuant to the Notes, Borrower is required to execute and deliver this Intellectual Property Security Agreement.

NOW, THEREFORE, for value received, and in consideration of the premises and to induce Accord to enter into the Notes, Borrower hereby agrees with Accord as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the MPSA.

Section 2. Grant of Security Interest in Intellectual Property Collateral. In order to secure the payment of all indebtedness and obligations of Borrower to Accord arising under the Notes, Borrower hereby grants to Accord a security interest in and lien upon all of Borrower's present and future right, title and interest in all of Borrower's General Intangibles, including the following Collateral of Borrower (the "Intellectual Property Collateral"):

(a) copyrights, whether registered or unregistered, whether in published or unpublished works of authorship, copyright registrations or applications, copyright reversions, renewals or extensions, and rights throughout the world analogous to the foregoing;

(b) issued patents (whether utility, design, or plant), patent applications, or certificates of invention, continuations, continuations-in-part, divisions, extensions, reissuances, or reexaminations of a patent or patent application, inventions described and claimed in any patent or patent application, and rights throughout the world analogous to the foregoing, including but not limited to the foregoing set forth on Exhibit A hereto;

(c) trademarks, service marks, certification marks, trade names, or other types of source identifier, whether arising under a statute or under common law, and whether registered or unregistered, corporate and company names, business names, trade styles, designs, logos, or trade dress, any registrations, renewals, applications, and other filings for any of the foregoing, the goodwill of the business connected with the use of or symbolized by any of the foregoing, and rights throughout the world analogous to the foregoing, including but not limited to the foregoing set forth on Exhibit A hereto;

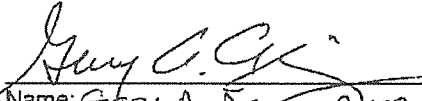

(d) any and all intellectual property not included in the foregoing, whether statutory or common law, registered or unregistered, published or unpublished, including mask works, trade secrets or other proprietary or confidential information or data, rights with respect to software, programming codes,

IN WITNESS WHEREOF, Borrower has caused this Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
