TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this "Agreement"), dated as of July 12, 2018, is made by and between Advanced Duplication Services, LLC, a Delaware limited liability company having a business location at the address set forth below next to its signature ("Company"), and CIBC Bank USA ("Secured Party"), and having a business location at the address set forth below next to its signature.

Recitals

A. Company and Secured Party are parties to a Loan and Security Agreement (as amended, supplemented or restated from time to time, the "Loan Agreement") dated the same date as this Agreement, setting forth the terms on which Secured Party may now or hereafter extend credit to or for the account of Company.

B. As a condition to extending credit to or for the account of Company, Secured Party has required the execution and delivery of this Agreement by Company.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. Definitions. All terms defined in the Recitals hereto or in the Loan Agreement that are not otherwise defined herein shall have the meanings given to them in the Loan Agreement. In addition, the following terms have the meanings set forth below:

"Security Interest" has the meaning given in Section 2.

"Trademarks" means all of Company's right, title and interest in and to: (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each, (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, and (iv) licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit A.

2. Security Interest. Company hereby irrevocably pledges and assigns to, and grants Secured Party a security interest (the "Security Interest") with power of sale to the extent permitted by law, in the Trademarks to secure payment of the Obligations. As set forth in the Loan Agreement, the Security Interest is coupled with a security interest in substantially all of the personal property of Company. This Agreement grants only the Security Interest herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060.

3. Representations, Warranties and Agreements. Company represents, warrants and agrees to Secured Party as follows:

(a) **Existence; Authority.** Company is a limited liability company duly organized, validly existing and in good standing under the laws of its state of organization, and this Agreement has been duly and validly authorized by all necessary limited liability company action on the part of Company.

(b) **Trademarks.** Exhibit A accurately lists all Trademarks owned by Company as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof; provided, however, that Exhibit A need not list common law marks (i.e., Trademarks for which there are no applications or registrations) which are not material to Company's business. If after the date hereof, Company owns any Trademarks not listed on Exhibit A (other than common law marks which are not material to Company's business), or if Exhibit A ceases to accurately reflect the existence and status of applications and registrations pertaining to the Trademarks, then Company shall promptly provide written notice to Secured Party with a replacement Exhibit A, which upon acceptance by Secured Party shall become part of this Agreement.

(c) **Affiliates.** As of the date hereof, no Affiliate owns or has a right to have assigned to it any items that would, if such item were owned by Company, constitute Trademarks. If after the date hereof any Affiliate owns or has a right to have assigned to it any such items, then Company shall promptly either: (i) cause such Affiliate to assign all of its rights in such item(s) to Company; or (ii) notify Secured Party of such item(s) and cause such Affiliate to execute and deliver to Secured Party a trademark security agreement substantially in the form of this Agreement.

(d) **Title.** Company has absolute title to each Trademark listed on Exhibit A, free and clear of all Liens except for liens in favor of Old National Bancorp (successor to Anchor Bank) and Convergent Capital Partners III, L.P., which shall be terminated within 30 days of the date hereof. Company (i) will have, at the time Company acquires any rights in Trademarks hereafter arising, good and marketable title to each such Trademark free and clear of all Liens except Permitted Liens, and (ii) will keep all Trademarks free and clear of all Liens except Permitted Liens.

(e) **No Sale.** Except as permitted in the Loan Agreement, Company will not assign, transfer, encumber or otherwise dispose of the Trademarks, or any interest therein, without Secured Party's prior written consent.

(f) **Defense.** To the extent reasonably advisable in its business, Company will at its own expense and using commercially reasonable efforts, protect and defend the Trademarks against all claims or demands of all Persons other than those holding Permitted Liens.

(g) **Maintenance.** Company will at its own expense maintain the Trademarks to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain trademark registrations and all affidavits, maintenance fees, annuities, and renewals possible with respect to trademark registrations and applications therefor. Company covenants that it will not abandon nor fail to pay any maintenance fee

or annuity due and payable on any Trademark, nor fail to file any required affidavit or renewal in support thereof, without first providing Secured Party: (i) sufficient written notice, of at least thirty (30) days, to allow Secured Party to timely pay any such maintenance fees or annuities which may become due on any Trademarks, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable, except where the abandonment, failure to pay, or failure to file is in the ordinary course of business.

(h) **Secured Party's Right to Take Action.** If Company fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of ten (10) calendar days after Secured Party gives Company written notice thereof (or, in the case of the agreements contained in subsection (h), immediately upon the occurrence of such failure, without notice or lapse of time), or if Company notifies Secured Party that it intends to abandon a Trademark, Secured Party may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of Company (or, at Secured Party's option, in Secured Party's own name) and may (but need not) take any and all other actions which Secured Party may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(i) **Costs and Expenses.** Except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise illegal under any applicable law, Company shall pay Secured Party on demand the amount of all moneys expended and all costs and expenses (including reasonable documented attorneys' fees and disbursements) incurred by Secured Party in connection with or as a result of Secured Party's taking action under subsection (h) or exercising its rights under Section 6, together with interest thereon from the date expended or incurred by Secured Party at the default rate of interest set forth in the Loan Agreement with respect to the Revolving Loan.

(j) **Power of Attorney.** To facilitate Secured Party's taking action under subsection (h) and exercising its rights under Section 6, Company hereby irrevocably appoints (which appointment is coupled with an interest) Secured Party, or its delegate, as the attorney-in-fact of Company with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of Company, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by Company under this Section 3, or, necessary for Secured Party, after an Event of Default, to enforce or use the Trademarks or to grant or issue any exclusive or non-exclusive license under the Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Trademarks to any third party. Company hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall terminate upon the termination of the Loan Agreement as provided therein and the payment and performance of all Obligations.

4. Company's Use of the Trademarks. Company shall be permitted to control and manage the Trademarks, including the right to exclude others from making, using or selling

items covered by the Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default occurs and remains uncured.

5. Events of Default. Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (a) an Event of Default, as defined in the Loan Agreement, shall occur; or (b) Company shall fail promptly to observe or perform any covenant or agreement herein binding on it; or (c) any of the representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

6. Remedies. During the continuance of an Event of Default, Secured Party may, at its option, take any or all of the following actions:

(a) Secured Party may exercise any or all remedies available under the Loan Agreement.

(b) Secured Party may sell, assign, transfer, pledge, encumber or otherwise dispose of the Trademarks.

(c) Secured Party may enforce the Trademarks and any licenses thereunder, and if Secured Party shall commence any suit for such enforcement, Company shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement.

7. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and unless the secured Obligations have been paid in full (other than continuing indemnification obligations in which no claim has been made), the Security Interest can be released, only explicitly in a writing signed by Secured Party. A waiver signed by Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of Secured Party's rights or remedies. All rights and remedies of Secured Party shall be cumulative and may be exercised singularly or concurrently, at Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given to Company under this Agreement shall be given in the manner and with the effect provided in the Loan Agreement. Secured Party shall not be obligated to preserve any rights Company may have against prior parties, to realize on the Trademarks at all or in any particular manner or order, or to apply any cash proceeds of Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of Company and Secured Party and their respective participants, successors and assigns and shall take effect when signed by Company and delivered to Secured Party, and Company waives notice of Secured Party's acceptance hereof. Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by Company shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of Minnesota without regard to conflicts of law provisions.

If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations.

THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED ON OR PERTAINING TO THIS AGREEMENT.

IN WITNESS WHEREOF, the parties have executed this Trademark Security Agreement as of the date written above.
