## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (the “**Assignment**”) is made and entered into as of June 5, 2018, by HCT Packaging, Inc., a New Jersey corporation (“**Assignor**”), with a principal address at 2800 28<sup>th</sup> Street, Suite 240, Santa Monica, California 90405, for the benefit of Retress, LLC, a Delaware limited liability company (the “**Assignee**”).

WHEREAS, Assignor owns the trademarks identified on Schedule 1 (hereinafter the “**Trademarks**”); and

WHEREAS, Assignor desires to assign to Assignee, Assignor’s entire right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, Assignor hereby agrees as follows:

1. Assignor hereby assigns, transfers and delivers to Assignee, all of Assignor’s right, title and interest in and to the Trademarks, together with the goodwill of the business which is symbolized by the Trademarks and the right to sue and recover any damages and profits and all other remedies for past, present and future infringements or violations thereof, if there may be any.

2. Assignor hereby constitutes and appoints Assignee the true and lawful attorney of Assignor, with full power of substitution, in the name of Assignor or Assignee, by, on behalf of and for the benefit of Assignee and at Assignee’s expense: (a) to demand and receive from time to time all or any portion of the Trademarks and to make endorsements and give receipts and releases for and in respect of the same and any part thereof, (b) to institute, prosecute, compromise and settle any and all actions, litigations or governmental or administrative proceedings that Assignee may deem proper in order to collect, assert or enforce any claim, right or title of any kind in or to such assets, (c) to defend or compromise any or all actions, litigations or governmental or administrative proceedings in respect of such assets, and (d) to do all such acts and things in relation to the matters set forth in the preceding clauses (a) through (c) as Assignee shall deem appropriate. Transfer and delivery is made at the sole cost and expense of Assignee.

3. Assignor hereby covenants that, at any time or from time to time after the date hereof, at Assignee’s reasonable request and without further consideration to Assignor and at Assignee’s expense, Assignor shall execute and deliver to Assignee such other instruments of transfer, conveyance, assignment and confirmation, provide such materials and information and take such other actions as Assignee may reasonably deem necessary to transfer, convey and assign to Assignee, and to confirm Assignee’s title to the Trademarks and to put Assignee in actual possession and control of such Trademarks and to assist Assignee in exercising all rights with respect thereto. In the event that Assignor fails to do so, Assignor hereby irrevocably appoints Assignee as Assignor’s limited attorney-in-fact, which appointment shall be deemed a power coupled with an interest, with limited rights of substitution and delegation, solely to execute any such instruments on Assignor’s behalf consistent herewith, and Assignee shall provide Assignor with a written copy thereof.

4. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office, and any other national, federal, and state government officials of corresponding entities or agencies in any applicable jurisdictions, to record and register this Assignment. Assignor agrees to initiate and cooperate with Assignee to complete the transfer process with respect to the domain name registration that is part of the Trademarks (the “**Domain Name**”) electronically from Assignor’s account to Assignee’s account, and to execute and deliver such assignment and other documents as the registrar of the Domain Name may require in order to effectuate the transfer of control and ownership of the Domain Name from Assignor to Assignee. This Assignment may be submitted to the UDRP, or any similar offices throughout the world, or to any other party, as evidence of Assignee’s ownership.

5. If any provision of this Trademark Assignment, or the application thereof, shall for any reason and to any extent be held to be invalid or unenforceable, the remainder of this Trademark Assignment and the application of such provision to other persons or circumstances shall be interpreted so as best to reasonably effect the intent of the parties hereto.

6. This Assignment shall inure to the benefit of Assignee and its successors and assigns and shall be binding upon Assignor and its successors and assigns. This Assignment and all questions relating to its validity, interpretation, performance and enforcement shall be exclusively governed by and construed in accordance with the laws of the State of California, without giving effect to conflict of law principles. This Assignment contains the entire agreement and understanding of Assignor and Assignee hereto relating to the subject matter hereof.

IN WITNESS WHEREOF, Assignor has duly executed this Assignment as of the date first above-written.
