Assignor hereby assigns, transfers and conveys to Assignee all of Assignor's right, title, and interest in and to the trademark applications, trademark registrations, and common law trademarks listed above, together with the goodwill of the business connected with the use thereof and symbolized thereby, the rights of renewal thereof, all common law rights related thereto, and any rights of Assignor to sue for and recover any profits, penalties, expenses and other damages arising out of or related to any past, present, and/or future infringement, dilutions, or violations thereof (collectively, the "Trademarks").

2. The right, title, and interest in and to each of the Trademarks are to be held and enjoyed by Assignee as of the Effective Date as fully and exclusively as they would have been held and enjoyed by Assignor had this assignment not been made.
