## INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment") dated as of 12 July 2018, is entered into by and among David Alfred Andrew Lagettie, an individual and citizen of Australia ("Purchaser"), and Cybergun, a corporation of France ("Cybergun") together with its subsidiary Microtrade S.à.r.l., a corporation of Luxembourg (collectively, the "Seller Parties"). The Seller Parties and Purchaser shall be referred to collectively herein as the "Parties" and each individually as a "Party." Capitalized terms used herein and not otherwise defined in the text of this Agreement have the meanings assigned to such terms in the Intellectual Property Purchase Agreement (as defined below).

### RECITALS:

WHEREAS, Purchaser and Cybergun have concurrently herewith consummated the purchase by Purchaser of certain Purchased Intellectual Property of the Seller Parties pursuant to the terms and conditions of that certain Intellectual Property Purchase Agreement dated 12 July 2018 among Purchaser and Cybergun (the "Intellectual Property Purchase Agreement"); and

WHEREAS, pursuant to the Intellectual Property Purchase Agreement, the Seller Parties desire to convey, transfer, assign and deliver to Purchaser, and Purchaser desires to accept from the Seller Parties, all of the Purchased Intellectual Property of the Seller Parties, throughout the world, which Purchased Intellectual Property includes the Trademarks, Domain Names, and Copyrights as described in Schedule 4.5, attached.

NOW, THEREFORE, for valuable consideration the receipt of which is hereby acknowledged, and in accordance with and subject to the terms of the Intellectual Property Purchase Agreement, the Seller Parties and Purchaser hereby agree as follows:

1. Assignments. Effective immediately upon execution of this Assignment, the Seller Parties hereby irrevocably assign, convey, sell, grant and transfer and agree to irrevocably assign, convey, sell, grant and transfer to Purchaser all of their right, title and interest of every kind and character, throughout the world, to the full extent of their ownership or interest therein, in and to the Purchased Intellectual Property as provided in the Intellectual Property Purchase Agreement, including, without limitation, (a) the Trademarks, Domain Names, and Copyrights as described in Schedule 4.5 and in the Intellectual Property Purchase Agreement, (b) any and all applications or registrations for any the foregoing, (c) all goodwill associated with the foregoing, and, (d) all other corresponding rights at common law or otherwise that are or may be secured under the laws of the United States, European Union, France, or any foreign country, now or hereafter in effect.
2. Related Rights. The foregoing assignments all include rights to collect royalties, licensee fees and proceeds in connection with any of the foregoing and all rights to sue for past, present or future infringement, misappropriation or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith.
3. Domain Names. Seller shall perform all acts necessary to effect the re-registration of the Domain Names from the current registrant and/or Seller to Purchaser according to each applicable registrar's policy, and/or to timely cooperate in affecting any inter-registrar transfers as requested by Purchaser. Seller shall not permit any of the Domain Names to

expire or lapse while re-registration of the Domain Names from Seller to Purchaser is taking place.

4. Nothing in this Assignment, express or implied, is intended or will be construed to expand or defeat, impair or limit in any way the rights, obligations, claims or remedies of the Parties as set forth in the Intellectual Property Purchase Agreement. To the extent that any term or provision of this Assignment is deemed to be inconsistent with the terms of the Intellectual Property Purchase Agreement, the terms of the Intellectual Property Purchase Agreement shall control.

5. The Seller Parties shall promptly take such actions, including, without limitation, the prompt execution and delivery of documents in recordable form, as may be requested by Purchaser to vest, secure, perfect, protect or enforce the rights and interests of Purchaser in and to the Purchased Intellectual Property assigned herein.

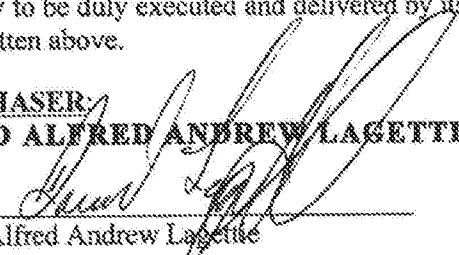

6. This Assignment inures to the benefit of and is binding upon Purchaser, Cybergun and the Seller Parties and their respective heirs, successors and assigns.

7. This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original, but all of which together shall constitute one and the same instrument. A signature to this Assignment delivered by telecopy or other electronic means will be deemed valid.

8. This Assignment shall be governed by and construed in accordance with the laws of Australia without giving effect to any choice of law or conflict of law rules or provisions (whether of Australia or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than Australia.

IN WITNESS WHEREOF, each of the Parties has caused this Assignment of Intellectual Property to be duly executed and delivered by its duly authorized representative as of the date first written above.
